### 3. Overview of Community District

Community Board 2 represents the areas of Sunnyside, Woodside, Long Island City and a portion of West Maspeth. The district is bounded on the north by Queens Plaza North, the northern property line of the Sunnyside Rail Yard and Northern Boulevard; on the east by the Con Rail property; on the south by Calamus, Maurice and Maspeth Avenues and Newtown Creek; the East River to the west.

#### 4. Top Three Pressing Issues Overall

The three most pressing issues facing Queens Community Board 2 are:

- *Affordable housing*
- *Health care services*

The CB 2 District and including the Long Island City area which is severely underserved by the City's public health network. In a health care survey, by the Floating Hospital of New York, Long Island City was found to be one of the most critically underserved communities in New York City.

**Schools** For a number of years Community Board 2 has requested improvements to existing schools located in School Districts 24 and 30 serving this area's youth. Board 2 has identified a need for new schools to alleviate overcrowding and to create additional classroom space. We must continue to advocate for funding to construct new educational facilities and expand existing schools.
