INTRODUCTION

The annual Statements of Community District Needs (CD Needs Statements) and Community Board Budget Requests (Budget Requests) are Charter mandates that form an integral part of the City's budget process. Together, they are intended to support communities in their ongoing consultations with city agencies, elected officials and other key stakeholders and influence more informed decision making on a broad range of local planning and budget priorities. This report also provides a valuable public resource for neighborhood planning and research purposes, and may be used by a variety of audiences seeking information about New York City's diverse communities.

HOW TO USE THIS REPORT

This report represents the Statement of Community District Needs and Community Board Budget Requests for Fiscal Year (FY) 2022. This report contains the formatted but otherwise unedited content provided by the community board, collected through an online form available to community boards from August to November, 2020.

Community boards may provide substantive supplemental information together with their Statements and Budget Requests. This supporting material can be accessed by clicking on the links provided in the document or by copying and pasting them into a web browser, such as Chrome, Safari or Firefox.

This report is broadly structured as follows:

1. Overarching Community District Needs

Sections 1 – 4 provide an overview of the community district and the top three pressing issues affecting this district overall as identified by the community board. Any narrative provided by the board supporting their selection of their top three pressing issues is included.

2. Policy Area-Specific District Needs

Section 5 is organized by seven distinct policy areas aligned with the service and program areas of city agencies. For each policy area, community boards selected the most important issue for their districts and could provide a supporting narrative. The policy area section also includes any agency-specific needs and a list of relevant budget requests submitted by the community board. If the community board submitted additional information outside of a specific policy area, it may be found in Section 6.

3. Community Board Budget Requests

The final section includes the two types of budget requests submitted to the City for the FY22 budget cycle; one list for capital and another for expense budget requests. For each budget request, community boards were able to provide a priority number, explanation, location, and supporters. OMB remains the definitive source on budget requests submitted to city agencies.

Disclaimer

This report represents the Statements of Community District Needs and Community Board Budget Requests of this Community District for Fiscal Year 2022. This report contains the formatted but otherwise unedited content provided by the community board.

Budget Requests: Listed for informational purposes only. OMB remains the definitive source on budget requests and budget request responses.

3. OVERVIEW OF COMMUNITY DISTRICT

Community Board 12, Queens, encompasses the area bounded by the Van Wyck Expressway (West), Hillside Avenue (South), North Conduit Avenue (South), and Francis Lewis Boulevard/Springfield Boulevard (East), encompassing the communities of Jamaica, South Jamaica, South Ozone Park, Hollis, St. Albans, Addisleigh Park, Rochdale Village, and North Springfield Gardens. It is the second largest Board in the Borough of Queens and takes up a large portion of the southeastern corner of the Borough. Officially, according to the 2010 census, we have a total population of 225,919 people. The number does not reflect nor acknowledge an under-count. The District has become a more culturally and ethnically diverse community. It is situated in the well-known flood basin of the world's largest dam; John F. Kennedy Airport. The Airport, built on wetlands, which was our natural drainage area, has greatly contributed to a lack of adequate rainwater run-off in our community. We continue to suffer from serious infrastructure problems; our roads and sewers are inadequate to serve our community needs. A great deal of street repair has been done in Community Board 12, much more remains undone. At this time \$2 Billion dollars have been allocated to Southeast Queens for flooding by the Mayor. We are faced with a serious ground water issue, in which hopefully there will be a study on ground water. Finally, through all of our struggles our communities will survive. But, we cannot ignore the fact that basic municipal services are minimal. Extra help now will keep us stable and prevent the need for excessive amounts of rehabilitation and revitalization dollars in the future. The needs in each community are different. We at Community Board 12 will continue to fight for our fair share of city services that we are not receiving that must be provided to maintain the quality of life for all of the residents within the district.

4. TOP THREE PRESSING ISSUES OVERALL

Queens Community Board 12

The three most pressing issues facing this Community Board are:

Schools

SCHOOLS - The district is faced with co-location of schools, with multiple schools in a single building.

Senior services

SENIOR SERVICES - Seniors comprise a large segment of our population, it is important that programs be developed to meet their needs. 1. Healthcare 2. Housing 3. Social Security 4. Healthy Food 5.

Medicare - Medicaid

Street flooding

FLOODING - Flooding is a serious issue in CB12, it is due to lack of proper drainage causes flooding in streets and into homes, businesses and schools. An additional cause of flooding is that the groundwater table is too high.

5. SUMMARY OF COMMUNITY DISTRICT NEEDS AND BUDGET REQUESTS

HEALTH CARE AND HUMAN SERVICES

Queens Community Board 12

Most Important Issue Related to Health Care and Human Services

Health facilities (existing conditions, capacity, new facilities, etc.)

We continue to be confronted with a number of health problems; a high rate of breast cancer, prostate cancer, asthma, diabetes, HIV/AIDs and other chronic conditions. We are oversaturated with social service programs, however, we are not receiving quality healthcare. Primary healthcare facilities have opened but we need a full scale, quality hospital in the district.

Community District Needs Related to Health Care and Human Services

Needs for Health Care and Facilities

Health care facilities and programming. We have a number of health care facilities with programs in the district, but not enough to meet the needs of a growing community. We need a hospital in the district to address many of the community resident's needs; a primary health care facility.

Needs for Older NYs

There is a lack of facilities and programs for the older New Yorkers. Seniors comprise a large segment of our population, it is important that programs be developed to meet their needs: 1. Healthcare 2. Housing 3. Social Security 4. Healthy Food 5. Medicare - Medicaid

Needs for Homeless

We have more than our fair share of facilities of services to the homeless. We have (10) ten shelters and in 13 hotels in Community Board 12, Queens District, for more than our fair share.

Needs for Low Income NYs

We do not have enough services and programming for low-income and vulnerable new Yorkers.

Capital Requests Related to Health Care and Human Services

Priority	Agency	Request	Explanation	Location
23/42	HHC	Provide a new or expanded health care facility	<i>A full service hospital is needed in CB 12. The VA property should be considered for hospital, a Veteran Hospital also a Community Hospital. Due to the closing of Mary Immaculate Hospital, a great strain has been put on Jamaica and Queens Hospital Center. A new Hospital can be erected on the property of the Veteran Hospital on Linden Blvd., St. Albans, NY With Coronavirus, we need a quality health care facility operating 24/7</i>	

Expense Requests Related to Health Care and Human Services

The Community Board did not submit any Budget Requests in this category.

YOUTH, EDUCATION AND CHILD WELFARE

Queens Community Board 12

Most Important Issue Related to Youth, Education and Child Welfare

Schools and educational facilities (Maintenance)

Education Partnering with Community Education Council Districts 27, 28 and 29 has been our priority for many years and we are proud to continue to stand with the staff, parents and students within these districts for education quality and equity. The years of Mayoral control by the previous administration caused our CDE Councils to take a considerable beating. It was extremely difficult to manage all of the issues brought by the Bloomberg administration, yet we persevered in dealing with issues such as: the effectiveness of the ATR (Absent Teacher Reserve) pool, the "Blue Book" – a document that did not provide trusted, definitive school space utilization information, "Testing to the Test", the premature roll out of Common Core Standards, school closures, and persisting co-locations of multiple schools within one building. On numerous occasions, the Education Committee of Community Board 12 expressed our disapproval of the premise of co-location. Districts 27, 28 and 29, were part of a detrimental co-location landscape that the Bloomberg administration was determined to carry out prior to his leaving office. Thus we were faced with multiple co-location proposals aimed at our elementary, middle and high schools. Under the guise of "under-utilization," educators were notified that their schools must make way for other schools deemed "high quality" by the DOE. The term was unproven in most cases and highly offensive to those associated with the incumbent schools. Proposals for Southeast Queens included three (3) co-located schools with elementary and intermediate schools in existing co-location environments; a sixth (6th) co-located high school at Campus Magnet High School, and of most notable concern to us was a proposal to co-locate Success Charter Academy Elementary School (kindergarten through 4th grade) within August Martin High School, a co-located high school of three (3) schools - one of which, Voyages Preparatory High School, integrates adult-aged students up to the age of 21. Community Board 12 voiced opposition to this irresponsible proposal in our testimony to the NYC Department of Education and SUNY Charter Schools Institute. The proposal was not approved. In addition, Community Board 12 opposed the co-location of Q312 with PS 40; the co-location of Q332 with IS 72 and P.S. 993; and the co-location of Success Charter Academy Elementary School with IS 59 and P.S. 176. Most recently, we provided testimony to oppose the inclusion of New Visions Charter School within August Martin High School, joining the myriad of other schools co-located in the building. Although we were unsuccessful in that effort, we will continue to be adamant regarding our position on school co-location within our districts. Increasing class enrollment for preschool through high school-aged children persists as the population in our CDEC districts continues to rise. The need for the School Construction Authority to expand building plans in Community Board 12 continues as does the need for decreasing class size at every grade level. Additional after school programming and recreational community centers for middle and high school-aged children is essential to Community Education Council Districts 27, 28 and 29. We also request the implementation of effective school safety zones, traffic lights and speed bumps in the vicinity of every school and learning center in our CDEC districts.

Community District Needs Related to Youth, Education and Child Welfare

Needs for Youth Education

It is extremely important that quality educational programs be provided in our district, these include programs outside of the classroom like recreational programs, homework programs and other after school programs.

PUBLIC SAFETY AND EMERGENCY SERVICES

Queens Community Board 12

Most Important Issue Related to Public Safety and Emergency Services

Emergency and disaster preparedness

We have two Police Precincts in the District 103rd and 113th , we have request that resources be allocated for a tow-truck to tow the 18 wheelers (Big Wheelers) using the street in the residential areas for a staging area overnight and weekend. Truck route signs are posted there is a lack of enforcement. Ongoing requests are made for more police presences in some of the residential area.

Needs for Emergency Services

The Fire Education Program has worked really well in CB12 to reduce fatal fires in the community.

Capital Requests Related to Public Safety and Emergency Services

The Community Board did not submit any Budget Requests in this category.

Expense Requests Related to Public Safety and Emergency Services

Priority	Agency	Request	Explanation	Location
2/20	NYPD	Assign additional staff to address specific crimes (e.g. drug, gang-related, vice, etc.)	<i>Increase Foot Patrol and Sector Cars for the Hollis Area. This request would improve the quality of life in this section of Hollis because there is excessive drug selling and quality of life issues that could be deterred if there was foot and sector car patrol.</i>	

CORE INFRASTRUCTURE, CITY SERVICES AND RESILIENCY

Queens Community Board 12

Most Important Issue Related to Core Infrastructure, City Services and Resiliency.

Water runoff and flooding

We have problems with some of our infrastructure because we have projects that have been on the books for a number of years and never moved forward because of funding. With the \$2.2 Billion dollars that are allocated, a number of projects are moving forwards.

Community District Needs Related to Core Infrastructure, City Services and Resiliency.

Needs for Water, Sewers, and Environmental Protection

Flooding is a major problem in Community Board 12 due to a poor drainage system and a high level of ground water. Some homeowners are forced to have pumps installed in their basement but, that is not addressing the problem. Ongoing meeting have been held. A number of projects are schedule to move forward, these are all small projects that will not be addressing the major problem. Two point two hundred billion dollars have been allocated to southeast queens to address the flooding condition by the Mayor.

Needs for Sanitation Services

We are facing a major problem with Sanitation, dumping is an increasing problem. We must have more strict enforcement not less; there is a need to deal specifically with illegal dumping. We need additional manpower for street cleaning, dump-outs, and litter basket operations. Some of the dumping is in the residential area, where there are high number of vacancies due to foreclosure. In order to have cleaner streets in the residential areas, you must have alternate side of street parking in which we do not have in majority of the areas ; so the mechanical broom can clean the curb.

Capital Requests Related to Core Infrastructure, City Services and Resiliency

Priority	Agency	Request	Explanation	Location
1/42	DEP	Other capital budget request for DEP	<i>Reconstruct the storm sewer on 150th Street between Liberty Ave and Archer Ave</i>	150th St Liberty Ave Liberty Ave
5/42	DEP	Other capital budget request for DEP	<i>Reconstruct Brinkerhoff Ave (110th Ave) from 173rd St to 178th St. Reconstruct 176th St from Brinkerhoff Ave (110th Ave) to 109th Ave. The section of Brinkerhoff Ave. is in serious disrepair. It has not been resurfaced or properly maintained in the last 60 years. There is little to no sidewalk between 176th and 178th streets. The roadway is higher than the pedestrian walkway causing water from the rain and broken water mains to flow into the yards and basements of homes. Between 177th and 178th streets the roadway is so broken up, there is no paving from the pedestrian walkway to more than five feet into the roadway. Cars are parked in the mud. We are submitting photographic evidence. It is truly a deplorable condition. The drainage issue must be resolved first by DEP prior to DOT work.</i>	Brinkerhoff Ave 173rd St 173rd St

Expense Requests Related to Core Infrastructure, City Services and Resiliency

Priority	Agency	Request	Explanation	Location
1/20	DSNY	Other cleaning requests	<i>Institute Seven Day Basket Collection in Community District 12. Because of the congestion of our district, especially in downtown Jamaica by Archer Avenue and Parsons Boulevard and also Sutphin Boulevard and Archer Avenue where the subway station is and the vans and vendors locate, our trash baskets overflow in less than a day. We face a problem of overflowing baskets which are unsightly and create a health hazard. Seven day collection would help lessen the problem.</i>	
6/20	DEP	Clean catch basins	<i>Replace storm drainage on both sides of Babylon Ave. The storm drains appear to be clogged, causing home owner flood and back-up in their homes.</i>	

HOUSING, ECONOMIC DEVELOPMENT AND LAND USE

Queens Community Board 12

Most Important Issue Related to Housing, Economic Development and Land Use

Affordable housing creation

It's a major issue in the district with all the proposed housing units and economic development in progress, we will have an increase in population and businesses, our local merchants need help to remain stable and profitable. Community Board 12 Economic Development Committee is working with the Local Development Corp. and business groups on some of our commercial strips.

Community District Needs Related to Housing, Economic Development and Land Use

Needs for Land Use

We have an affective Land Use Committee in Community Board 12 that addresses all land use items that come before the board.

Needs for Housing

It's a major issue in the district with all the proposed housing units and economic development being planned there will be increase in population and business groups on some of our communities. Our local merchants need help to remain stable and profitable. We are having a major problem in the district with abandoned houses; two to three years without being sealed up squatters in and out. we have a high number of vacancies due to foreclosures. Any abandoned house in a community has a great effect on the quality of life on all home owners in the Community. In Community Board 12 district, we need additional building inspectors to address working without a permit, illegal conversion, single room occupancy (SRO's), and working on weekends. The problem continue to escalate, illegal use must not just be cited, the must not be allowed to continue. There continues to be a lack of enforcement in Community board 12, we need Consumer Affairs.

Needs for Economic Development

It's a major issue in the district with all the proposed housing units and economic development in progress, we will have an increase in population and businesses, our local merchants need help to remain stable and profitable. Community Board 12 Economic Development Committee is working with the Local Development Corp. and business groups on some of our commercial strips. Economic development is important for a vibrant and stable community. The new economic development plans that have been proposed in this district will hopefully address unemployment, which has been a huge issue in this district.

Capital Requests Related to Housing, Economic Development and Land Use

Priority	Agency	Request	Explanation	Location
25/42	HPD	Provide more housing for seniors	<i>Fund curbs on west side of 188th, 192, 193, 195th St. 195th Place; Jamaica Ave and Hillside Ave (Jamaica to 91st Ave) Southside of 91st Ave to 187 St.</i>	

Expense Requests Related to Housing, Economic Development and Land Use

TRANSPORTATION

Queens Community Board 12

Most Important Issue Related to Transportation and Mobility

Traffic congestion

There is a serious problem with commercial traffic in residential area during weekends and overnight. "Big wheeler tractor trailers use residential street as staging area over the weekend leaving them unattended over the weekend. We have two transportation hubs in the district, Archer Avenue and Parsons Boulevard, Sutphin Boulevard and Archer Avenue.

Community District Needs Related to Transportation and Mobility

Needs for Traffic and Transportation Infrastructure

There is a serious problem with commercial traffic in residential areas during weekends and overnight. "Big-wheels" or 18-wheel tractor trailers use residential streets as staging areas over the weekend. Leaving them unattended over the weekend.

Needs for Transit Services

We have two transportation hubs in the district, Archer Avenue and Parsons Boulevard ,Sutphin Boulevard and Archer Avenue. At Archer Ave. and Parsons Boulevard you have the vans at the bus stops; Sutphin Boulevard and Archer Ave. you have the cars there picking up and in the bus stops. We have had numerous meetings, the problem continues to exist. We need enforcement in the areas everyday. We need stronger regulations. There is a need for new and additional buses on all of the routes except one. There should be a monitor on the same route. There is a problem with scheduling. In downtown Jamaica we have a lot of permit parking. A major traffic study is being done in the downtown area. We have four (4) subway lines (E,J,Z, and F). We also have the Long Island Railroad and the Air Train.

PARKS, CULTURAL AND OTHER COMMUNITY FACILITIES

Queens Community Board 12

Most Important Issue Related to Parks, Cultural and Other Community Facilities

Park care and maintenance

We have been successful in getting majority of our parks reconstructed. Our major problem is the lack of enforcement that is needed in Baisley Park and Rufus King Park. We have a number of Cultural facilities in the district, Jamaica Arts and Learning, Black Spectrum Theatre, Jamaica Performing Arts Center, King Manor Museum, and Cultural Collaborative of Jamaica.

40/42	DPR	Other park programming requests	<i>Requesting boating and concessions in Baisley Pond Park - develop income streams in Baisley Pond Park. Return boating to the park with related concessions to generate income for the maintenance of the park. Increasing green space in an underserved area is an important goal. Commissioner Silver agreed that this was a priority in the October 2020 City Council Committee meeting. Additionally, Queens Borough Commissioner Docket mentioned the same at an October 2020 meeting with the Saint Alban's. Alpha Streets Civic Association.</i>	
41/42	DPR	Improve access to a park or amenity (i.e. playground, outdoor athletic field)	<i>Boating and concessions in Baisley Pond Park. Develop income streams in Baisley Pond Park. Return boating to the Park with retail concessions to generate for the maintenance of the Park.</i>	
42/42	DPR	Improve access to a park or amenity (i.e. playground, outdoor athletic field)	<i>Requesting DPR taking over two parcels of land in St. Albans per citizen petition of 2019. Increasing green in an underserved area is an important goal. Commissioner Silver agreed tht this was a priority in the October 2020 City Council Committee meeting. Additionally, Queens Borough Commissioner Docket mentioned the same at an October 2020 meeting with the Saint Alban's Alpha Streets Civic Association. See the attached petition from that same community group from 2019 requesting that the parcel of and including one know as Q111 and adjacent unmapped lot be combined into become DPR managed Park lands</i>	
CS	DPR	Other capital budget request for DPR	<i>Install Park security lighting. Lighting in Baisley Park is insignificant; in fact many of the existing lights do not function. A recent survey in the Park resulted in security and lighting being important needs.</i>	197th Street 118th Ave 118th Ave

Expense Requests Related to Parks, Cultural and Other Community Facilities

Priority	Agency	Request	Explanation	Location
----------	--------	---------	-------------	----------

3/20	QL	Extend library hours or expand and enhance library programs	<i>Fund Additional Library Personnel for South Jamaica Branch. The new South Jamaica Branch at Guy Brewer Blvd. and 108th Ave. needs additional personnel to handle the increased number of users. This is a new library and additional staffing will ensure its upkeep and continued use.</i>
4/20	DPR	Enhance park safety through design interventions, e.g. better lighting	<i>Install Additional Lighting in King Park. King Park has summer concerts and other evening events. Adequate lighting needs to be provided for safety and security.</i>
5/20	DPR	Enhance park safety through design interventions, e.g. better lighting	<i>Hire Additional Staff for O'Connell Park. Deploy personnel for fall staffing at O'Connell Park to include recreational programs.</i>
7/20	DPR	Provide better park maintenance	<i>Hire Additional Personnel for Roy Wilkins Park. Needed are a) Funds to employ maintenance workers for the 54 acre Roy Wilkins Park, particularly attendants for the newly constructed comfort station. Workers are required to work 7AM-10PM, 7 days/week (total of 5460 hrs. at \$10/hr. will be asstd. by WEP workers). \$54,600. b) Funds to employ 1 worker for 8 hrs/day, 7 days/week at \$15/hr to help in cleaning of the park and driving the tractor. They will be assisted by WEP workers (\$43,680). The Association must take on a greater burden in maintaining the park at a time when income is reduced. Increased use of the park has brought on new pressures for the care & protection of the park. Total=\$98,280.</i>
8/20	DPR	Other park maintenance and safety requests	<i>Purchase Equipment for Roy Wilkins Park. Purchase: (A) Tractor with snow removal, garbage collection and grass cutting equipment: \$27,114; and a (B) carry all Turf II-daily trash removal and security vehicle \$6,253. The Association purchased a tractor in 1984 which has been exhausted. The care of 54 acres and grass cutting, garbage collection and snow removal are daily and seasonal tasks which require the daily attention of staff. The continuous movement throughout the park, by motorized transport, also helps with security.</i>
9/20	DPR	Other street trees and forestry services requests	<i>Hire a Tree Pruning Gang. Hire a tree pruning gang for Community District # 12 to clear backlog of trees in need of pruning.</i>

10/20	DPR	Other park maintenance and safety requests	<i>Hire Six Park Rangers for King Park, Baisley Park, O'Connell Park, Haggerty Park and Drew Park. A Park Ranger presence in the Park will ensure public safety, park cleanliness and increased usage by the community.</i>	
11/20	DPR	Improve the quality/staffing of existing programs offered in parks or recreational centers	<i>Increase the Staff of the Department's Forestry Division. Our ongoing residential construction projects plans for individual trees on our streets. Unfortunately the existing street trees are not pruned or maintained. Forestry has been cut back drastically and our trees have suffered since then. We need at least a doubling of the forestry staff to do minimal pruning and tree removal. The backlog is a disgrace.</i>	
12/20	DPR	Forestry services, including street tree maintenance	<i>Hire a stump removal Gang. Hire a stump removal gang for community District #12. Community Board #12 has a backlog of stumps to be removed.</i>	
13/20	DPR	Other expense budget request for DPR	<i>Fund King Manor museum in Jamaica. The King Manor Association manages the recently restored home of Founding Father, Rufus king. Mr. King's legacy includes important work as a delegate to the Constitutional Convention, and Contributions as a skilled diploma, statesman and an outspoken opponent of Slavery. This Historic site of national significance with exceptional educational potential. Children, adults and Families are participating in the educational programs in steadily increasing numbers. In the past 12 months there has been a 200 percent increase in school programs and the Manor has served four times as many students and teachers as previously.</i>	150-03 Jamaica Ave

19/20	DPR	Provide better park maintenance	<p><i>While most communities in Queens have at least 2 people performing daily tasks (picking up garbage cleaning bathrooms, plowing snow, and making basic repairs and upkeep). Open source data reveals that CB 12 parks have disproportionately one person to complete daily tasks. We need more parts staff to maintain our parks. Requesting a Parks Administrator - no doubt that budget cuts have affected all NYC parks, but most parks in Queens, save for South East Queens, have an Administrator who is tasked with raising money outside of city funding. Per the Greenbook, the following Queens areas have a Parks Administrator in some cases also a Deputy Administrator who can raise outside funds to support the hiring of staff for their parks: Requesting more Park Rangers and PEP Officers.</i></p>	
20/20	DPR	Provide more programs in parks or recreational centers	<p><i>The district needs park programming in Haggerty Park. There is a new family shelter near the park that services children.</i></p>	<p>94-1 202nd St, Hollis, NY 11423</p>

CS	DOT	Roadway maintenance (i.e. pothole repair, resurfacing, trench restoration, etc.)	<i>Reconstruct Brinkerhoff Avenue (110th Avenue) from 173rd Street to 178th Street. Reconstruct 176th Street from Brinkerhoff Avenue (110th Avenue) to 109th Avenue. The section of Brinkerhoff Ave. is in serious disrepair. It has not been resurfaced or properly maintained in the last 60 years. There is little to no sidewalk between 176th and 178th streets. The roadway is higher than the pedestrian walkway causing water from the rain and broken water mains to flow into the yards and basements of homes. Between 177th and 178th streets the roadway is so broken up, there is no paving from the pedestrian walkway to more than five feet into the roadway. Cars are parked in the mud. We are submitting photographic evidence. It is truly a deplorable condition.</i>	Brinkerhoff Ave 173th St 173th St

Expense Budget Requests

Priority	Agency	Request	Explanation	Location
1/20	DSNY	Other cleaning requests	<i>Institute Seven Day Basket Collection in Community District 12. Because of the congestion of our district, especially in downtown Jamaica by Archer Avenue and Parsons Boulevard and also Sutphin Boulevard and Archer Avenue where the subway station is and the vans and vendors locate, our trash baskets overflow in less than a day. We face a problem of overflowing baskets which are unsightly and create a health hazard. Seven day collection would help lessen the problem.</i>	
2/20	NYPD	Assign additional staff to address specific crimes (e.g. drug, gang-related, vice, etc.)	<i>Increase Foot Patrol and Sector Cars for the Hollis Area. This request would improve the quality of life in this section of Hollis because there is excessive drug selling and quality of life issues that could be deterred if there was foot and sector car patrol.</i>	
3/20	QL	Extend library hours or expand and enhance library programs	<i>Fund Additional Library Personnel for South Jamaica Branch. The new South Jamaica Branch at Guy Brewer Blvd. and 108th Ave. needs additional personnel to handle the increased number of users. This is a new library and additional staffing will ensure its upkeep and continued use.</i>	
4/20	DPR	Enhance park safety through design interventions, e.g. better lighting	<i>Install Additional Lighting in King Park. King Park has summer concerts and other evening events. Adequate lighting needs to be provided for safety and security.</i>	
5/20	DPR	Enhance park safety through design interventions, e.g. better lighting	<i>Hire Additional Staff for O'Connell Park. Deploy personnel for fall staffing at O'Connell Park to include recreational programs.</i>	
6/20	DEP	Clean catch basins	<i>Replace storm drainage on both sides of Babylon Ave. The storm drains appear to be clogged, causing home owner flood and back-up in their homes.</i>	

7/20	DPR	Provide better park maintenance	<i>Hire Additional Personnel for Roy Wilkins Park. Needed are a) Funds to employ maintenance workers for the 54 acre Roy Wilkins Park, particularly attendants for the newly constructed comfort station. Workers are required to work 7AM-10PM, 7 days/week (total of 5460 hrs. at \$10/hr. will be asstd. by WEP workers). \$54,600. b) Funds to employ 1 worker for 8 hrs/day, 7 days/week at \$15/hr to help in cleaning of the park and driving the tractor. They will be assisted by WEP workers (\$43,680). The Association must take on a greater burden in maintaining the park at a time when income is reduced. Increased use of the park has brought on new pressures for the care & protection of the park. Total=\$98,280.</i>
8/20	DPR	Other park maintenance and safety requests	<i>Purchase Equipment for Roy Wilkins Park. Purchase: (A) Tractor with snow removal, garbage collection and grass cutting equipment: \$27,114; and a (B) carry all Turf II-daily trash removal and security vehicle \$6,253. The Association purchased a tractor in 1984 which has been exhausted. The care of 54 acres and grass cutting, garbage collection and snow removal are daily and seasonal tasks which require the daily attention of staff. The continuous movement throughout the park, by motorized transport, also helps with security.</i>
9/20	DPR	Other street trees and forestry services requests	<i>Hire a Tree Pruning Gang. Hire a tree pruning gang for Community District # 12 to clear backlog of trees in need of pruning.</i>
10/20	DPR	Other park maintenance and safety requests	<i>Hire Six Park Rangers for King Park, Baisley Park, O'Connell Park, Haggerty Park and Drew Park. A Park Ranger presence in the Park will ensure public safety, park cleanliness and increased usage by the community.</i>
11/20	DPR	Improve the quality/staffing of existing programs offered in parks or recreational centers	<i>Increase the Staff of the Department's Forestry Division. Our ongoing residential construction projects plans for individual trees on our streets. Unfortunately the existing street trees are not pruned or maintained. Forestry has been cut back drastically and our trees have suffered since then. We need at least a doubling of the forestry staff to do minimal pruning and tree removal. The backlog is a disgrace.</i>

12/20	DPR	Forestry services, including street tree maintenance	<i>Hire a stump removal Gang. Hire a stump removal gang for community District #12. Community Board #12 has a backlog of stumps to be removed.</i>	
13/20	DPR	Other expense budget request for DPR	<i>Fund King Manor museum in Jamaica. The King Manor Association manages the recently restored home of Founding Father, Rufus king. Mr. King's legacy includes important work as a delegate to the Constitutional Convention, and Contributions as a skilled diploma, statesman and an outspoken opponent of Slavery. This Historic site of national significance with exceptional educational potential. Children, adults and Families are participating in the educational programs in steadily increasing numbers. In the past 12 months there has been a 200 percent increase in school programs and the Manor has served four times as many students and teachers as previously.</i>	150-03 Jamaica Ave
14/20	DYCD	Provide, expand, or enhance after school programs for elementary school students (grades K-5)	<i>Provide Sites for Summer Employment For Youngsters. They place youngsters at job sites for summer employment.</i>	
15/20	DYCD	Provide, expand, or enhance the Summer Youth Employment Program	<i>Provide Additional Funding for additional youth programs and personnel in Community Board 12Q. Would Like additional personnel for the Programs.</i>	
16/20	DYCD	Provide, expand, or enhance the Summer Youth Employment Program	<i>Provide Funding to Sustain and Enhance Programmatic Activities at PFLC.</i>	
17/20	DOT	Other traffic improvement requests	<i>The engineering unit is in dire need of 5 additional traffic control inspectors. The traffic safety studies cannot be done with only one person on staff. A backlog of 3,000 studies in the Borough is intolerable.</i>	
18/20	DOT	Other traffic improvement requests	<i>Replace storm drainage on both sides of Babylon Ave. The storm drains appear to be clogged, causing home owner flood and back-up in their homes.</i>	

19/20	DPR	Provide better park maintenance	<p><i>While most communities in Queens have at least 2 people performing daily tasks (picking up garbage cleaning bathrooms, plowing snow, and making basic repairs and upkeep). Open source data reveals that CB 12 parks have disproportionately one person to complete daily tasks. We need more park staff to maintain our parks. Requesting a Parks Administrator - no doubt that budget cuts have affected all NYC parks, but most parks in Queens, save for South East Queens, have an Administrator who is tasked with raising money outside of city funding. Per the Greenbook, the following Queens areas have a Parks Administrator in some cases also a Deputy Administrator who can raise outside funds to support the hiring of staff for their parks: Requesting more Park Rangers and PEP Officers.</i></p>	
20/20	DPR	Provide more programs in parks or recreational centers	<p><i>The district needs park programming in Haggerty Park. There is a new family shelter near the park that services children.</i></p>	<p>94-1 202nd St, Hollis, NY 11423</p>
