3. OVERVIEW OF COMMUNITY DISTRICT

Community Board No. 9 consists of four communities, Woodhaven, Ozone Park, Richmond Hill and Kew Gardens (WORK). Each is very distinct, yet all the residents have similar concerns and needs. Community Board No. 9 is truly a microcosm of the borough of Queens where our diversity is our strength. The Covid 19 pandemic, the uncertainty of additional waves of infection and the adverse impact on the economy is of great concern. Like many New Yorkers, the constituents of Community Board 9 want safe streets, great schools, senior services, economic opportunity for local businesses, mobile rapid Covid testing in our communities and access to quality parks and recreation. Additionally, we must take care of our most vulnerable citizens. During this pandemic poverty, homelessness, hunger and mental health issues have increased. It is important to fund programs that will assist these individuals as they struggle through difficult times.

Many City agencies have experienced severe budget cuts and they are struggling each day to deliver essential services. NYPD, Sanitation, Transportation, Parks and Department of Education are being asked to do more with less. Community Board 9 is still facing the construction of a community-based jail in Kew Gardens, a problematic hotel that is a haven for criminal activity and operational homeless shelter in Ozone Park. These facilities will impact our infrastructure and ability to deliver city services.

Community Board 9 requests that the 102nd Police Precinct be considered for additional officers to combat the rise in crime and keep the growing diverse population of residents safe. We ask that Department of Sanitation's budget be restored so they can service litter baskets, address illegal dumping and keep local streets clean. The City must ensure that DOT has the resources to continue paving our streets and conduct traffic studies.

Our educators, students and parents continue to adjust to the new remote educational model. They must be provided with the technology and equipment to succeed in the virtual classroom. School Safety protocols should be followed daily and Personal Protective Equipment (PPE) must be readily available to all.

We owe our seniors a great debt of gratitude. We have an important responsibility to ensure they have access to effective programs. Seniors also need technology and equipment so they participate in programs or seminars that are offered remotely. Our senior centers should be fully funded and equipped to protect their members while providing important services.

Community Board 9 has strong retail corridors comprised of small business owners. These businesses have been financially destroyed during that pandemic. However, through true grit and determination businesses are making a comeback. The City must provide grants, low interest loans, consulting services and clear guidelines to get these business back on solid ground. It is equally important that we make these retail corridors clean, attractive and safe for customers. We encourage a Green Streets program along Woodhaven Boulevard and improve lighting along Jamaica and Liberty Avenues.

During the pandemic, our parks provided a much-needed outlet for residents. Forest Park is an incredible asset to the borough of Queens. Community Board 9 requests that funding be allocated for pruning, fencing and more Park Enforcement Patrol officers for Forest Park. Additionally, we need Forestry continue their effective pruning schedule of trees that adorn our residential streets.

Libraries provide access to technology, information and are a great gathering place for residents of all ages. It's a place to access computers, it is all-inclusive, safe and friendly environment, and a unique forum for social networking and reading groups. We request that the Woodhaven and Richmond Hill Libraries remain fully funded and the projects move forward in a timely manner. A multi-cultural Community Center would be a welcomed edition to the Community Board 9 community. We hope to work with the Queens Economic Development Corporation and interested non-for-profits to make this a reality.

Although we aware that the economic outlook FY2022 is bleak, our budget priority Capital and Expense Priority List targets many of the community needs and concerns. Community Board 9 respectfully calls on our esteemed elected officials to consider each request during their budget deliberations.

4. TOP THREE PRESSING ISSUES OVERALL

Queens Community Board 9

The three most pressing issues facing this Community Board are:

Crime and public safety

Criminal activity is increasing in our district. These crimes include but are not limited to shootings, assaults, drugs, sex trafficking and drug trafficking. The Umbrella Hotel has been a hotbed for criminal activity forcing out local police precinct post a police car 24/7 at the locations. We need a coordinated multi agency approach to stop this blight on the community. Our police do an outstanding job but they need the resources, personnel and community support to keep our streets safe.

Health care services

The Covid 19 pandemic and the uncertainty of additional waves of infection is of great concern. Community Board 9 requests that elected officials and health care facilities work together to ensure there adequate number of hotel beds, life saving equipment and personnel to deal with another possible outbreak. Additionally, we would welcome an increase in rapid mobile testing sites in our community when hotspot are identified.

Schools

Our educators, students and parents continue to adjust to the new remote educational model. They must be provided with the technology and equipment to succeed in the virtual classroom. School Safety protocols should be followed daily and Personal Protective Equipment (PPE) must be readily available to all.

Local Elected officials, i.e. State Sen. Joe Addabbo (D-Howard Beach), State Assemblyman Mike Miller (D-Woodhaven), and the Woodhaven Residents' Block Association, the Business Improvement District, the Greater Woodhaven Development Corporation, and a Task Force for a Better Woodhaven gathered on Woodhaven Blvd to express their frustrations and concerns regarding the SBS Plan.
