INTRODUCTION

The annual Statements of Community District Needs (CD Needs Statements) and Community Board Budget Requests (Budget Requests) are Charter mandates that form an integral part of the City's budget process. Together, they are intended to support communities in their ongoing consultations with city agencies, elected officials and other key stakeholders and influence more informed decision making on a broad range of local planning and budget priorities. This report also provides a valuable public resource for neighborhood planning and research purposes, and may be used by a variety of audiences seeking information about New York City's diverse communities.

HOW TO USE THIS REPORT

This report represents the Statement of Community District Needs and Community Board Budget Requests for Fiscal Year (FY) 2022. This report contains the formatted but otherwise unedited content provided by the community board, collected through an online form available to community boards from August to November, 2020.

Community boards may provide substantive supplemental information together with their Statements and Budget Requests. This supporting material can be accessed by clicking on the links provided in the document or by copying and pasting them into a web browser, such as Chrome, Safari or Firefox.

This report is broadly structured as follows:

1. Overarching Community District Needs

Sections 1 – 4 provide an overview of the community district and the top three pressing issues affecting this district overall as identified by the community board. Any narrative provided by the board supporting their selection of their top three pressing issues is included.

2. Policy Area-Specific District Needs

Section 5 is organized by seven distinct policy areas aligned with the service and program areas of city agencies. For each policy area, community boards selected the most important issue for their districts and could provide a supporting narrative. The policy area section also includes any agency-specific needs and a list of relevant budget requests submitted by the community board. If the community board submitted additional information outside of a specific policy area, it may be found in Section 6.

3. Community Board Budget Requests

The final section includes the two types of budget requests submitted to the City for the FY22 budget cycle; one list for capital and another for expense budget requests. For each budget request, community boards were able to provide a priority number, explanation, location, and supporters. OMB remains the definitive source on budget requests submitted to city agencies.

Disclaimer

This report represents the Statements of Community District Needs and Community Board Budget Requests of this Community District for Fiscal Year 2022. This report contains the formatted but otherwise unedited content provided by the community board.

Budget Requests: Listed for informational purposes only. OMB remains the definitive source on budget requests and budget request responses.

Bronx Community District 1 - Land Use

3. OVERVIEW OF COMMUNITY DISTRICT

Community Board One is located in the southern portion of Bronx County. The boundaries of the district are the Harlem River; East 149th Street; Park Avenue; East 159th Street; East 161st Street; Prospect Avenue; East 149th Street and the East River. The neighborhoods served are Port Morris, Mott Haven and Melrose. The district has a 2010 population of 91,497 up from 82,159 in 2000. Land Use patterns are of single family and two family residential properties, institutional, mixed residential, commercial, office, and industrial uses. The general trend of the district is one of future population growth with mixed income residents.

4. TOP THREE PRESSING ISSUES OVERALL

Bronx Community Board 1

The three most pressing issues facing this Community Board are:

Affordable housing

As the number of city owned sites in the district is minimal it is critical that the need for affordability in the city pipeline of publicly-owned sites not be reduced. In the development of these sites a balance of housing needed in the district must be maintained. The current new construction by private developers in the Mott Haven area during the past five years are trending toward utilizing the Extremely Low and Low-Income Affordability (ELLA) program. The advancing of this housing is seen as a return to early models of development when the district had a larger portion of vacant city titled land and housing stock. That housing primarily was developed for low income multiple dwellings. Now, a wider range of housing covering all income classes must be pursued. We ask that new construction under the Multifamily Rental mix and Match program and the Multifamily Rental Mixed Income (M2) Program be advanced by the department in fiscal year 2022. The relocation of residents into the district seeking privately market rate housing south of Bruckner Boulevard along the Harlem River and in Port Morris has created an in balance with the housing needs and affordability of residents seeking housing in the Melrose and Port Morris areas of the district. We are extremely concerned of the proposed developments of new shelters, low income multiple dwellings, and the jail in our district already overburdened with these uses, particularly in the Concord Avenue portion of the district. the majority of land use trends and actions over the past five years have been in the area of zoning map amendments for the development of new housing.

Health care services

The significant changes most important health issue to the district unfortunately has been the overall impact of COVID-19. We were ground zero and a major hot zone from March 2020 onward in the Bronx as to hospitalizations and deaths. The majority of our residents live in multiple dwelling units in the district along with over 20 NYC Housing Authority Developments. The extremely large number of these and other residents were adversely impacted during the COVID-19. Additionally, in our catchment area is the HHC Lincoln Hospital Center which was extremely overburdened with patients seeking treatment from the Elmhurst section of Queens at Lincoln. The death toll was beyond stunning with refrigerated trailers surrounding the facility. Our Belvis facility along with Lincoln provides testing and the district has its tracing program up and running. Throughout this sad period all doctors and staff comported themselves as professionals as they faced their own work and family traumas. We have received after action reports and regular updates as to their PPE capacity and hospital guidelines in the event of another surge. NYC DOE has implemented a hybrid blended learning program in District 7 schools. throughout this 2020 condition of the virus our district is growing with the demographics particularly in Port Morris. The programs and services needed to advance recovery in the district is continual distribution of public information as to the importance of mask wearing, social distancing, and hand washing. Also, due to the loss of employment of residents, there needs to be support for local non-for-profit food pantry's and small businesses. With the development of a COVID-19 vaccine possibly imminent there is a concern which our local partners in government must work hard to overcome. The matter of its implementation in our district. The fear of residents and loss of trust in the federal government during the pandemic. To deliver a safe vaccine to many residents will require local hiring of residents to do community outreach to convince them of the need to vaccinate. Many do not have a personal doctor and have fears based on historical facts of experimentation by the government. Additionally, there must be a coordinated point of delivery to seniors, who reside at age in place locations beyond the hospital and nursing home setting.

Quality of life issues (noise, graffiti, petty crime, etc.)

As the city deals with ongoing pandemic many families have been impacted with job loss. This disrupting of stability in the family home has been major. The onset of COVID-19 with other adverse family issues has placed increased stresses on the households in the district. The result of which unfortunately has been a rise in domestic violence. Additionally, possibly associated with COVID-19 there has been and increase in the level of street crime involving guns.

5. SUMMARY OF COMMUNITY DISTRICT NEEDS AND BUDGET REQUESTS

HEALTH CARE AND HUMAN SERVICES

Bronx Community Board 1

Most Important Issue Related to Health Care and Human Services

Chronic diseases prevention and management (diabetes, heart disease, etc.)

Add funding for Asthma treatment. Bronx Community Board 1 has been designated as part of the Asthma Corridor. Funding is also needed for Asthma Education and Case Management Assistance. As we now face the serious issue of COVID 19 and it's adverse impact upon residents of the district we request continued support for prevention and testing sites in our district with an emphasis on our NYCHA Housing Developments and local schools.

Community District Needs Related to Health Care and Human Services

Needs for Health Care and Facilities

Add funds for AIDS education, teenage pregnancy and infant mortality programs in Community District #1. More of these programs are needed to reach out to our Elementary and High School students as well as to the youth in our Community District.

Needs for Older NYs

Increase funds to expand the crime prevention program for senior citizens. There are not enough programs in CD #1. Maintain funding level for Senior Centers in Homecare, Housekeeping, Legal Services, Nutrition and Recreation.

TRANSPORTATION

Bronx Community Board 1

Most Important Issue Related to Transportation and Mobility

Street lighting

Fund major improvements including additional lighting and scraping for the Bruckner Expressway underpasses at Brook, St. Ann's, Lincoln and Willis Avenues. These improvements are needed at these locations for the safety of the community.

Community District Needs Related to Transportation and Mobility

Needs for Traffic and Transportation Infrastructure

Fund for the reconstruction for the East 153rd Street Bridge. Previously at this location the past administration had approved a design for a cableless Bridge at East 153rd Street and the money was taken out of the budget. Due to the increased population in Bronx Community Districts #1 and #1 there is a need for a new bridge to be built at this location.

Capital Requests Related to Transportation and Mobility

Priority	Agency	Request	Explanation	Location
3/20	DOT	Repair or provide new street lights	<i>Upgrade illumination on existing street lighting in the District. Street lighting throughout the entire District at night does not appear to be providing the proper illumination to support public safety. The Board requests for an upgrade and increase in foot-candles on the existing lamp poles, including within all pedestrian underpasses in the District.</i>	
4/20	DOT	Repair or provide new street lights	<i>Fund major improvements including additional lighting at the Major Deegan underpasses at Brook, St. Ann's, Lincoln and Willis Avenues. There is a need for additional lighting at the Major Deegan underpasses at Brook, St. Ann's, Lincoln and Willis Avenues as it is dangerous for residents that have to pass through these locations due to inadequate lighting.</i>	
5/20	DOT	Repair or build new step streets	<i>Create a new step street. The development of a Step Street at East 159th Street and ST. Ann's Avenue provides a connection for residents in the area above St. Ann's Avenue. This Step Street is one the Board has advanced over 15 years and continues to support. It's development provides for residents of major developments such as St. Ann's Terrace, a development of 350 units accessibility from this portion of the District. It is important as it will connect an area cutoff from direct walking and connection to bus routes and other features with the important housing corridor of the District.</i>	St. Ann's Avenue East 159th Street East 159th Street
6/20	DOT	Rehabilitate bridges	<i>The reconstruction of the East 153rd Street Bridge. Previously at this location the past Administration had approved a design for a cable-less Bridge at East 153rd Street and the money was taken out of the budget. Due to increased population in Bronx County in Boards 1 and 4 there is a need for a new bridge to be built at this location. The increased density and strained traffic conditions in the District along 149th Street, the Grand Concourse and on to East 161st Street has created limited options for drivers. The East 153rd Street Bridge is presently in the projected Capital Plan. Our Board supports development of the East 153rd Street Bridge which can reduce congestion in our District.</i>

Capital Requests Related to Parks, Cultural and Other Community Facilities

Priority	Agency	Request	Explanation	Location
7/20	DPR	Reconstruct or upgrade a park or amenity (i.e. playground, outdoor athletic field)	<i>Redevelopment of the Garrison Playground located at East 146th Street and Walton Avenue into a Science themed Playground. A component of the City's HPD RFP and selected redevelopment plan for 425 Grand Concourse is an allocation of Capital monies. Additionally, the Borough President's Capital Allocation for FY2017 includes \$500,000 for the reconstruction of the adjacent Garrison Playground. The averse closure and subsequent demolition of the former PS31 in 2015 devastated the educational capacity in the District while also creating a serious void of passive and active recreation space. The theme and the importance of science will uplift and inspire young persons of the District while providing a 21st century recreational and learning experience.</i>	
8/20	DPR	Provide a new or expanded park or amenity (i.e. playground, outdoor athletic field)	<i>The Board is requesting the improvement and upgrade of the St. Mary's Dog Run. An expansion of the existing Dog Run is needed. Installation of the St. Mary's Dog Run six years ago has been successful and a positive addition for residents who own dogs of all breeds in the community. At this time there is need to modernize and expand the elements and features of the Dog Run to make it accessible and functional for dogs of all sizes. The Board is requesting funding to fully develop the aspects of the St. Mary's Park Dog Run including appropriate and separate runs for different dog sizes, heights, features, signage of rules and appropriate use, equipment, supplies to support the expansion and fencing. We also seek additional PEP Officers to provide enforcement of the rules.</i>	

9/20	DPR	Reconstruct or upgrade a park or amenity (i.e. playground, outdoor athletic field)	<i>Rehabilitation and improvement of Pulaski Park at Bruckner Boulevard, between Willis Avenue and Brown Place. One of the southern Parks in the District Pulaski Park serves a population which includes the adjacent Bruckner by the Bridge development of over 350 units of studios, 1 BR's, and 2 BR's. In 2016 community engagement by the residents occurred with the NYC Parks Department to create a "Friends of Pulaski Park" for cleanup and painting of the various recreational portions of the Park. Its active spaces are in severe disrepair and not conducive for use by area children and adults.</i>	Bruckner Boulevard
10/20	DPR	Provide a new or expanded park or amenity (i.e. playground, outdoor athletic field)	<i>Fund construction of a Soccer Field in St. Mary's Park. Due to the increase of a population that plays soccer, there is a need for additional field capacity for this sport.</i>	
11/20	DPR	Reconstruct or upgrade a park or amenity (i.e. playground, outdoor athletic field)	<i>Develop and Rehabilitate the P.S. 5 Pontiac Park/School Yard. The current school yard, utilized by the elementary school students at P.S. 5, is in need of renovation and modernization. (Previous Tracking Code: 101200802C)</i>	
12/20	NYPL	Create a new, or renovate or upgrade an existing public library	<i>Allocate Funds for Partial Renovation Improvements of the Woodstock Library. The partial renovations to be undertaken at the Woodstock Library are a new roof, new air handling unit for the basement and supplemental building requirements, third floor renovation and exterior rehabilitation including window replacement. (Previous Tracking Code: 101201607C)</i>	
13/20	NYPL	Create a new, or renovate or upgrade an existing public library	<i>Funds for Partial Renovation Improvements of the Mott Haven Public Library in the District. The partial renovations to be undertaken at the Mott Haven Library are interior spaces, electrical upgrade, new furniture and equipment. Also to totally gut the entire cellar except for the Boiler Room, Fuel Tank Room and Elevator Machine Room and create individual offices or work rooms of which one would be the 600sf OST room. (Previous Tracking Code: 101201601C)</i>	

15/20	DPR	Provide a new, or new expansion to, a building in a park	<i>Develop an Amphitheater in St. Mary's Park. Seasonal concerts are given every year in St. Mary's Park and many of them are sponsored by the New York City's Parks Department. However, the department has to utilize equipment stages to hold these events. Therefore, a permanent onsite non-removable Amphitheater could be utilized throughout the year for the Parks Department and outside contracted events held by other entities. (Previous Tracking Code: 101201604C)</i>	St. Ann's Avenue
16/20	DPR	Reconstruct or upgrade a park or amenity (i.e. playground, outdoor athletic field)	<i>Provide Funding for the Green Thumb Gardens in the District. To provide all the gardens in CB1 with on-site running water, electricity, modern fencing as well as clean soil, lumber, and other materials needed to operate a functioning garden. (Previous Tracking No: 101201602C)</i>	
17/20	DPR	Provide a new or expanded park or amenity (i.e. playground, outdoor athletic field)	<i>Develop a Waterfront Public Access Park. The development of a street and a public access waterfront park, on a section of the Harlem River waterfront, will provide a constructive development of this area for recreational and waterborne transportation services. (Previous Tracking Code: 101200801C)</i>	
20/20	NYPL	Create a new, or renovate or upgrade an existing public library	<i>Funding for projects ranging from major renovations to targeted upgrades, including heating and cooling system updates, new roof, windows and doors, fire alarm, security and technology upgrades, ADA compliance and elevator replacement.</i>	

Expense Requests Related to Parks, Cultural and Other Community Facilities

Priority	Agency	Request	Explanation	Location
----------	--------	---------	-------------	----------

1/10	NYPL	Extend library hours or expand and enhance library programs	<i>Increase Funding for New York Public Library Services in the District. In order to provide the opportunity for district children and youth to fully participate in the New York Public library's many services, funding for the Mott Haven and Woodstock branches needs to be increased to allow for all libraries to be open six days and at least forty-two hours a week. The New York Public Library and Community Board One request that the City restore funding to provide robust six day service including increased hours, diverse programming, strong collections and sufficient staff to support these functions. In these challenging economic times, the services provided through the Library are needed by New Yorkers more than ever. (Previous Tracking Codes: 101200801E)</i>
7/10	DPR	Improve the quality/staffing of existing programs offered in parks or recreational centers	<i>Continue funding 18 permanent staff at St. Mary's Recreational Center. This newly renovated center requires permanent staffing to maintain and provide services to our youth as well as our adult population.</i>
10/10	NYPL	Extend library hours or expand and enhance library programs	<i>Increase funding for libraries to expand to 7-day service. Only 15 of the city's libraries are open 7-days a week the increased funding would ensure that at least one branch in every Council District is open for 7-days. This is particularly important when more people rely on library services from early literacy to ESOL classes for immigrants and story time for homeless families.</i>

Expense Budget Requests

Priority	Agency	Request	Explanation	Location
1/10	NYPL	Extend library hours or expand and enhance library programs	<i>Increase Funding for New York Public Library Services in the District. In order to provide the opportunity for district children and youth to fully participate in the New York Public library's many services, funding for the Mott Haven and Woodstock branches needs to be increased to allow for all libraries to be open six days and at least forty-two hours a week. The New York Public Library and Community Board One request that the City restore funding to provide robust six day service including increased hours, diverse programming, strong collections and sufficient staff to support these functions. In these challenging economic times, the services provided through the Library are needed by New Yorkers more than ever. (Previous Tracking Codes: 101200801E)</i>	
2/10	NYPD	Assign additional uniformed officers	<i>Provide and assign more Police Officers to the 40th Police Precinct and to the Police Service Area 7 of the Housing Bureau as well as the Transit Police. Due to the proliferation of illegal gun possession and rise in shootings and homicides in our streets and Housing Authority Developments, there is a need for more police presence within the 10 sectors of the 40th Precinct.</i>	
3/10	ACS	Provide, expand, or enhance funding to support higher education and/or workforce development opportunities for youth who are leaving foster care	<i>Fund development of recreational programming for Aging-Out youth 18 to 25 from foster care. There is a need for additional resources and services to support activities for this population.</i>	
4/10	DOHMH	Other programs to address public health issues requests	<i>Add Funding for Asthma Treatment. Bronx Community District #1 has been designated as part of the Asthma Corridor. The Municipal Hospital in our district. Lincoln Medical & Mental Health Center, handles approximately 50,000 pediatric visits and 45,000 pediatric emergency room visits, 5% of which are Asthma related. Additional funding is needed for Asthma Education and case management assistance.</i>	

5/10	DYCD	Other youth workforce development requests	<i>Fund youth employment during the school year. There is a high rate of unemployment among our youth population. Part-time jobs are needed for students during the winter and spring sessions while attending school.</i>
6/10	DOHMH	Provide more information and services related to STIs, HIV/AIDS, and family planning	<i>Add funds for AIDS Education, Teenage Pregnancy and Infant Mortality Programs in CD 1. More of these programs are needed to reach out to our Elementary and High School students as well as to the youth in our Community District.</i>
7/10	DPR	Improve the quality/staffing of existing programs offered in parks or recreational centers	<i>Continue funding 18 permanent staff at St. Mary's Recreational Center. This newly renovated center requires permanent staffing to maintain and provide services to our youth as well as our adult population.</i>
8/10	DOHMH	Animal and pest control requests including reducing rat and mosquito populations	<i>Increase funding for Pest Control in CD 1. These are vacant lots infested with rodents and insects in CD 1. In order to provide adequate service, funds are needed to purchase rodenticide and warning posters.</i>
