Affordable housing is crucial as many of our constituents are unable to purchase their own homes and have to rent apartments which can lead to poorly maintained housing. Maintenance defects include water leaks, cracks, holes, inadequate heating, presence of rats and mice, peeling paint and toilet breakdown's.

Air pollution is also a concern in our district.

Youth, Education and Child Welfare

Main Issue Related to Youth, Education and Child Welfare

After school programs

There is a tremendous need for more afterschool programs as most families work and children need a place they can be safe in and get assistance in homework, tutoring, etc. Afterschool programs must be funded in order to ensure all students remain in a secure environment and receive remedial help, homework assistance and physical fitness.

Community District Needs Related to Educational Facilities and Programs

PS 90 Requests an indoor Gym . We need Adequate funding for Universal Pre-K Programs in all Public Elementary Schools as well as home based Pre K. We need to ensure that all who apply for Pre- k have enough seats for all. CB9Q continues to advocate for increased funding to Our Beacon Program at JHS 210 and to fund all Beacon programs in NYC. Beacon program provide students with homework help, test preparation, recreation, Physical Fitness, nutritional programs, etc. CB9Q is also in desperate need for the construction of new schools in District 27,28 & 24 as many of our children who live in the district go to schools in Dist 24. Our board needs more School Crossing Guards. There are very dangerous conditions at our schools during morning arrival and afternoon dismissal. Many people have no regard for traffic rules and there is chaos when irresponsible drivers, etc. speed and don't abide my traffic laws For our growing Communities there is: 1) complete absence of any complete community center to serve the needs of Indo-Caribbean and South Asian children and families. 2) Lack of legal affordable housing options 3) Not enough youth and academic programs for children from ages 6-18 especially when the drop out rate at high school is about 50% for our children & residents safety.

Community District Needs Related to Services for Children and Child Welfare

5. Summary of Community District Needs and Budget Requests

Public Safety and Emergency Services

Main Issue Related to Public Safety and Emergency Services

Crime prevention programs

Our Precinct- the 102nd does a great job in keeping our district safe and it is imperative to maintain our safety and the quality of life and this will thrive with the addition of additional Police Officers. Increasing Funding for Domestic Violence Prevention Programs is essential in educating the public and to provide programs that help Families.

People want to live in a safe and thriving community and want to have choices as to where they want to live & access to great schools for their children and Real Estate development that understands constituent needs, i.e. safe neighborhoods, good schools, Illegal conversions are a serious issue in CB9Q and we need more Enforcement. NYC trend now is that most housing issues and sales of homes are affordable. But to who?

Community District Needs Related to Land Use

Queens Community District 9 is very concerned with NYC "Affordable Housing". It seems that many residents are unable to reach their dream of home ownership as prices of Homes, Condo's etc. are out of reach for many.

Transportation

Main Issue Related to Transportation

Accessibility (crowded or obstructed sidewalks and other public thoroughfares)

Community District Needs Related to Traffic and Transportation Infrastructure

The Department of Transportation's Select Bus Service (SBS) has been a controversial issue in CB9Q as residents are upset that DOT has not listened to their constituents and have reconfigured where people get on buses, i.e. middle median on Woodhaven Blvd. Routes would reconfigure lanes and eliminate left turns at major intersections as well as install bus stops in the median of Woodhaven Boulevard, which opponents fear will create unsafe conditions along the corridor and interrupt flow of traffic. Local Elected officials, i.e. State Sen. Joe Addabbo (D-Howard Beach), State Assemblyman Mike Miller (D-Woodhaven), and the Woodhaven Residents' Block Association, the Business Improvement District, the Greater Woodhaven Development Corporation, and a Task Force for a Better Woodhaven gathered on Woodhaven Blvd to express their frustrations and concerns regarding the SBS Plan.

We desperately need a PIP (Parks Inspection Project) funded along with pruning dollars.	Forest Park
