

**Queens Community Board 3
Expense and Capital Priorities
Fiscal Year 2026**

**East Elmhurst, Jackson Heights,
North Corona.**

**Giovanna A. Reid
District Manager**

INTRODUCTION

The annual Statements of Community District Needs (CD Needs Statements) and Community Board Budget Requests (Budget Requests) are Charter mandates that form an integral part of the City's budget process. Together, they are intended to support communities in their ongoing consultations with city agencies, elected officials and other key stakeholders and influence more informed decision making on a broad range of local planning and budget priorities. This report also provides a valuable public resource for neighborhood planning and research purposes, and may be used by a variety of audiences seeking information about New York City's diverse communities.

HOW TO USE THIS REPORT

This report represents the Statement of Community District Needs and Community Board Budget Requests for Fiscal Year (FY) 2026. This report contains the formatted but otherwise unedited content provided by the community board, collected through an online form available to community boards from June to November, 2024.

Community boards may provide substantive supplemental information together with their Statements and Budget Requests. This supporting material can be accessed by clicking on the links provided in the document or by copying and pasting them into a web browser, such as Chrome, Safari or Firefox.

If you have questions about this report or suggestions for changes please contact:
CDNEEDS_DL@planning.nyc.gov

This report is broadly structured as follows:

1. **Overarching Community District Needs**

Sections 1 – 4 provide an overview of the community district and the top three pressing issues affecting this district overall as identified by the community board. Any narrative provided by the board supporting their selection of their top three pressing issues is included.

2. **Policy Area-Specific District Needs**

Section 5 is organized by seven distinct policy areas aligned with the service and program areas of city agencies. For each policy area, community boards selected the most important issue for their districts and could provide a supporting narrative. The policy area section also includes any agency-specific needs and a list of relevant budget requests submitted by the community board. If the community board submitted additional information outside of a specific policy area, it may be found in Section 6.

3. **Community Board Budget Requests**

The final section includes the two types of budget requests submitted to the City for the FY24 budget cycle; one list for capital and another for expense budget requests. For each budget request, community boards were able to provide a priority number, explanation, location, and supporters. OMB remains the definitive source on budget requests submitted to city agencies.

Disclaimer

This report represents the Statements of Community District Needs and Community Board Budget Requests of this Community District for Fiscal Year 2026. This report contains the formatted but otherwise unedited content provided by the community board.

Budget Requests: Listed for informational purposes only. OMB remains the definitive source on budget requests and budget request responses.

Budget Priorities: Priority numbers apply to expense and capital Budget requests from all policy areas. A complete list of expense and capital budget requests by this Board sorted by priority can be found in Section 7 of this document.

Supporting Materials: Some community boards provided substantive supplemental information. This supportive material can be accessed by clicking on the links provided in the document or by copying and pasting the links provided in the Appendix into a browser.

Population Division, New York City Department of City Planning

Statement on Data Accuracy

Under Title 13 of the U.S. Code, the Census Bureau is legally bound to protect the privacy of individuals participating in the decennial census. To adhere to the law and to avoid the disclosure of information about individual respondents, the Census Bureau has historically applied a host of techniques, such as top- and bottom-coding, imputation, table- and cell-suppression, and data swapping. The Census Bureau is employing a new technique with the 2020 Census, referred to as the Disclosure Avoidance System (DAS), based on differential privacy. With this approach, the Census Bureau “infuses noise” systematically across census data and sets a quantified disclosure risk, referred to as the Privacy Loss Budget (PLB).

While the new DAS approach may diminish the risk of disclosure concerns, it comes at a cost to data accuracy. Consequently, 2020 Census data users should be aware that all sub-state counts, except for housing units (which are unaffected by the DAS), may be adjusted to protect the privacy of Census participants and may be subject to reduced accuracy. Because DAS noise infusion is randomized, it is impossible for data users to know the degree to which any individual statistic is altered. However, it is possible to say that in general the relative size of errors decreases as counts increase. Consequently, data users should have greater confidence in the accuracy of the data as counts get larger. Further, an evaluation of a Privacy-Protected Microdata File (PPMF), treated with a Disclosure Avoidance System like the one applied to 2020 redistricting data, showed that counts of 300 or more rarely have sizable errors (error beyond +/- 10% of the count). Therefore, while data users need to be cognizant of data accuracy limitations, they should have confidence in conclusions based on sizable counts, which are relatively unaffected by the Census Bureau’s latest disclosure avoidance method.

3. OVERVIEW OF COMMUNITY DISTRICT

Queens Community Board 3 FY2026 District Needs Statement

The community continues to grow, and our basic priorities remain the same. Community Board 3's goal is to enhance the quality of life for all its residents from our very young to seniors. Community Board 3 is comprised of the neighborhoods of East Elmhurst, Jackson Heights, and North Corona bounded by the Brooklyn- Queens Expressway to the west, Grand Central Parkway to the north, Flushing Meadow Corona Park to the east, and Roosevelt Avenue to the south. The district encompasses zip codes 11368, 11369, 11370, and 11372. CB3's land area is 3.0 square miles and is serviced by the 115th Police Precinct; Sanitation Queens West 3; Fire Engine Company 307/Ladder 154 and Engine Company 316; 23 Public schools; 11 private and parochial schools; 2 post-secondary degree-granting institutions; 4 public libraries; 1 private library; 28 Day Care/ Head Start facilities; 11 known mental health facilities; 12 residences that provide services for individuals with developmental disabilities; 11 shelters; 9 park/playgrounds; 1 vest-pocket park; 7 sitting areas; 8 park strips, 2 Dog Parks, Diversity Plaza, Travers Park has incorporated 78th Street Play Street in its expansion of the facility, Fisher Pool and Malcolm X Promenade.

The district lies in the shadow of La Guardia Airport, where some of its residents are employed. Airport-related uses along a portion of its northernmost street Ditmars Boulevard, are evident with the presence of hotels such as the Marriott Hotel, La Guardia Plaza, National Car Rental maintains a major facility, and the Vaughn College- School of Aeronautics is in the vicinity. Our major shopping districts and commercial corridors are located along Roosevelt Avenue on the southern boundary of the district; Astoria Boulevard on the northern boundary; 37th Avenue, Northern Boulevard, 73 Street; 74th Street, 82nd Street, 90th Street, Junction Boulevard, 103rd Street. The district's showplaces within the M-1 zone are the Bulova Corporate Center, and Home Depot. There are a many notable sites located within the confines of the district to name a couple ; the Jackson Heights Historic District, America's first planned "garden city" and the Louis Armstrong House/Museum, a national landmark in North Corona. Community Board 3 is densely populated and probably the most diverse community on the planet. According to NYU Furman Center, 62.8% of our population is foreign-born and most of our citizens originate from Latin America. Over Forty-Eight percent (48.8 %) of these residents have limited English proficiency in contrast to the Borough which is at 28.89% and the City of New York at 23.1%. More services for these constituents are critically needed. The Census reports that our population is 178,022, which means that our numbers have increased since the 2000 census. It is widely known, however, that New York was severely under-counted in the last census. We, therefore, believe that NYU Furman Center's single-year indicator which projects our population to be at 185,815 is probably a more accurate count. While there are three distinct neighborhoods, North Corona, East Elmhurst, and Jackson Heights in Queens Community Board 3, we are all working towards a common goal to improve the quality of life for our families and community. We, therefore, continue to advocate for our top priorities:

Construct a New Hospital in East Elmhurst, North Corona, Build a New High School at the stalled construction site at 112- 51 Northern Boulevard, Clean-Up Flushing Bay and Implement the Army Core of Engineers Recommendations, Expand the Capacity of the Jackson Heights Library Corona Library Construct a Library north of Northern Blvd. Affordable Housing - Reconstruct/Repair Sewers to Alleviate Backups and Flooding Construct an Intergenerational Facility in Jackson Heights Increase Youth Programs Increase Senior Programs Expand Medical Services at the Corona Health Center Increase Police Personnel at the 115th Precinct. Conduct a Commercial District Needs Assessment Construct a Performance Arts Center Increase the Capacity of Elmhurst Hospital.

4. TOP THREE PRESSING ISSUES OVERALL

Queens Community Board 3

The three most pressing issues facing this Community Board are:

Crime and Public Safety

Operation Restore Roosevelt Avenue We thank Governor Hochul and Mayor Adams for responding to our calls and putting in place Operation Restore Roosevelt Avenue. Both City and State agencies are working together to address all the issues found on Roosevelt Avenue. Important to note, we have already seen a significant difference since the deployment. The task force is doing an excellent job however, we would like the operation to stay in place for as long as it is needed, which is well beyond 90 days. If the operation dismantles too soon the conditions will start up again. We believe that the operation would be most effective by keeping our local precincts in place to address quality of life issues within their precincts, create a substation on Roosevelt Avenue for Operation Restore where the task force will address issues like sex working, illegal vending, gang activity and brothels and unlicensed massage parlors. **Improve Lighting on Roosevelt Avenue** - Related to the issues on Roosevelt Avenue, is very poor lighting. It is far too dark and unsafe for residents, patrons, and businesses to access the streets after dusk. Improved lighting is urgently needed. Replace the lighting located underneath the # 7 elevated tracks. Well lit streets will make subway users feel safer.

Health care services

Increase the Capacity and the Number of Public Health Facilities In Community Board 3 Jackson Heights and Elmhurst was the epicenter during the pandemic. Elmhurst Hospital nurses and doctors did a herculean job in saving the lives of Covid-19 victims. Elmhurst Hospital reports that in the last 7 years the emergency department volumes have increased by 33%. Patient wait time has considerably increased. Expanding the facility would be beneficial and positively enhance service delivery. Additional hospital beds and the expansion of the emergency room are sorely needed. Elmhurst Hospital is the only medical facility in our immediate area. Four hospitals closed their doors over twenty years, Elmhurst Hospital is now accommodating many of the patients that used to go to those closed facilities. While Urgent Care facilities are opening around the board area and borough, it does not diminish the fact that more hospitals and the services that they provide are still needed. To enhance the Elmhurst Hospital's capabilities the following needs are requested: **E6 Med-Surge Renovation**- This project will involve the conversion of current administrative space into a Med-Surge unit to house critically ill patients and patients recovering from surgical procedures. **Purchase of Surgical Laser** - Acquiring surgical laser will allow our ENT physicians to perform minimally invasive, highly precise surgeries for a wide range of treatments for diseases of ear/nose/throat. **Purchase of Additional da Vinci Surgical Robot** - da Vinci robotic surgery technology will allow Elmhurst to perform additional robotic surgeries. Robotic surgeries using the da Vinci system enable faster recovery time for patients. Other benefits include reduced pain, less blood loss, reduced risk of infection or complications and less scarring. **Remodel In-patient Units 3rd Floor and 6th Floor.** Elmhurst Hospital would like to add additional new furniture and amenities to inpatient units on floors 3 and 6 of its main building. The aforementioned modifications and additional services will help to better serve the community.

Street flooding

Affordable Housing While there is housing construction all over the district, very few of the developments are intended for low to middle-income families. These past three years have had a devastating impact on our district particularly as it relates to affordable housing. Long before the pandemic there was a shortage of affordable housing crisis. Illegal unsafe conversions and residents doubling and tripling up in apartments have increased. It is because residents cannot afford the high rents. By the same token some landlords have not received their rent in some cases for several years. To add to the mix, some unscrupulous landlords are forcing poor families out of their apartments. These residents have fixed incomes and cannot afford high rents. Many of these residents are seniors and disabled individuals who are part of the impacted group. The housing court really tells the story; in that there is a disproportionate number of minority low-income and

at-risk individuals who fall victim to the situation. Many of these tenants cannot afford an attorney and end up losing their homes. The New York Furman Center reports that Queens Community Board 3 ranks number 2 for rent-burdened households and 3rd highest for severe crowding of rental units citywide. According to the report, more than 53.3% of our population pay 35% or more of their income for rent. In addition, 25.5% of our residents live below the poverty level and for some permanent housing is not a given. The pandemic exacerbated the problem, for many families each month is a struggle, they must make the difficult decision as to whether to pay the rent or forgo other essential needs. Every month, they are at risk of being evicted and homeless.

Affordable housing is one of our top concerns. We believe that housing is a right and a fundamental need that must be addressed. We, therefore, call upon the City of New York to do more to keep our most vulnerable populations in their homes. Put systems in place to encourage private developers to construct affordable housing. Set a plan to encourage landlords to remain in the rent stabilization program. Develop incentives to attract new property owners to participate in rent stabilization.

While the rent moratorium is no longer in place for most people, the city must do all it can to protect our at risk population until they are able to get on their feet. The city should continue to advocate for more federal dollars and programs that will help to keep a roof over the heads of our most vulnerable. The influx of the newly arrived migrants, underscores the fact that urgent attention must be given to this critical issue. Flooding and Sewer Backups Many years ago, flooding and sewer backup conditions were confined to East Elmhurst ,however, currently the condition can occur in any area of the district. Zip codes 11368, 11369, 11370 and 11372 encompass the neighborhoods of Jackson Heights, Corona, East Elmhurst, and Woodside. Each area of the district has experienced flooding and sewer backup during heavy rainfalls. Flooding occurs because our existing combined sewer system does not have the capacity to handle the volume of the incoming water. It was thought that storms and heavy rains occurred once every hundred years. Due to climate change, however, the incidence of flooding and sewer backups have become more frequent. These events can often cause a lot of damage and loss of life. We call upon our elected officials and DEP to fund the changeout of our existing combined sewer to a dedicated system. Queens Community Board 3 has been advocating for this infrastructure upgrade for more than thirty years.

5. SUMMARY OF COMMUNITY DISTRICT NEEDS AND BUDGET REQUESTS

HEALTHCARE AND HUMAN SERVICES

Queens Community Board 3

Most Important Issue Related to Healthcare and Human Services

Health facilities

Health Facilities

Our existing facility Elmhurst Hospital is operating at full capacity. The doctors and nurses did a phenomenal job during covid-19 ,

Elmhurst Hospital is a 545-bed city hospital that serves as a safety-net institution for a largely working-class immigrant population. The novel coronavirus quickly spread through this vulnerable community, and the hospital was operating at more than 100% capacity. In an effort to free up precious beds, dozens of non-Covid-related cases are being transferred to other facilities. Inpatient wards are overwhelmed with those who, under different circumstances, would belong in intensive care units. This was the epicenter within the epicenter, of the Covid-19 crisis in New York City. Community Board 3 continues to advocate for additional medical facilities in our district as Elmhurst Hospital is the only medical facility located within the confines of our district. We need more hospital beds, Elmhurst Hospital is the City hospital in the immediate area and serves not only community boards 3 and 4 but 1, 2, 6 and 7. We ask that serious consideration be given to our request.

Community District Needs Related to Healthcare and Human Services

Needs for Homeless

Any necessary services to improve the quality of life should be provided.

Needs for Health Care and Facilities

Health Care and Facilities

As per the Department of Health, community health profiles indicate that 38% of adults that reside in Community Board 3 do not have health insurance. We have the highest rate within the city. That is why the Corona Health Center's services must be enhanced. Upgrade and expand services at the Corona Health Center. The majority of the residents in the catchment area of the center are either under or uninsured and in dire need of medical assistance. Reinstate the dental clinic and expand services to include primary care, and free screenings for eye, ear, sickle cell anemia, asthma, diabetes, cholesterol, prostate, and breast cancer. Promote education and awareness on nutrition, smoking cessation, mental health, and treatment. A full-service clinic is urgently needed in North Corona. Constituents residing in this section of the district do not have the means to travel to the health center that is located in Brooklyn; it is the only city-operated facility that is offering these critical services. Increase Hospital Beds at Elmhurst Hospital and Borough-Wide Since 2008, five hospitals have closed in the Borough of Queens. Our area hospital is feeling the impact. Elmhurst Hospital is now accommodating many of the patients who used to go to the now-closed hospitals. Elmhurst Hospital reports that in the last 7 years the emergency department volumes have gone up 33% which is very significant. Patient wait time has considerably increased. Additional hospital beds and an expansion of the emergency room are sorely needed. Although Urgent Care facilities are opening around the board area and borough, it does not diminish the fact that more hospitals and the services they provide are still needed.

Needs for Older NYs

Senior Services The senior residents of our district make up nearly 10% of our population. In addition to home care, escort services, transportation and mental health services, seniors need assistance with legal and benefit services. Funding levels for DFTA and related agencies that provide these critical services must be increased.

Needs for Homeless

Services for the unhoused must be substantially improved. Essential services must be provided such as permanent housing, employment, training, and financial assistance to ensure success.

Plans must be developed to ensure long term, permanent solutions should as subsidized rent until the client gets on their feet , monitor cases for a minimum three years. Help them to not only keep their living facility but provide opportunities to go to the next level to purchase a home or condo.

Needs for Low Income NYs

Low income New Yorkers need every resource that is available from addressing food insecurities, housing , child care , assistance with utility bills, health and life insurance and career development.

HEALTHCARE AND HUMAN SERVICES

Note: Please see Section 7 for the full content of each request

CAPITAL BUDGET REQUESTS

Priority	Agency	Title
1 / 50	HHC	Provide a new or expanded health care facility

EXPENSE BUDGET REQUESTS

Priority	Agency	Title
3 / 42	DOHMH	Other programs to address public health issues requests
24 / 42	DOHMH	Increase health and safety inspections, e.g. for restaurants and childcare programs
25 / 42	DFTA	Enhance NORC programs and health services
41 / 42	HHC	MRI Equipment
42 / 42	HHC	New MRI Scanner

YOUTH, EDUCATION AND CHILD WELFARE

Queens Community Board 3

Most Important Issue Related to Youth, Education and Child Welfare

Youth workforce development and summer youth employment

Youth Work Force Development/ Summer Youth Employment

Summer youth programs are essential for the development of our young people. These annual experiences help to develop character, expand the young person's horizons, and

explore career paths. Participation in summer youth programs foster safe/ positive environments where independence and responsibility can be developed. It is crucial that funding be made available for this important work.

Community District Needs Related to Youth, Education and Child Welfare

Needs for Youth Education

Community Board3's highest priority is to provide a first-class education for our children. Before Covid-19 districts 24 and 30 had the highest incidence of overcrowding in our neighborhood schools. Both districts report that currently there has been less overcrowding since the pandemic . We expect that students will return to school. We hope to be ready to receive them by ensuring that every student will have a seat and the necessary tools for their success Education remains our top priority.

Needs for Youth and Child Welfare

Affordable Child Care Affordable child care services are vital to working families. Parents who have children under the age of four rely on these hard to find services. In order to support our moderate income families; fully fund and open up additional day care facilities.

YOUTH, EDUCATION AND CHILD WELFARE

Note: Please see Section 7 for the full content of each request

CAPITAL BUDGET REQUESTS

Priority	Agency	Title
10 / 50	SCA	Provide a new or expand an existing elementary school
50 / 50	DOE	Upgrade Bathrooms

EXPENSE BUDGET REQUESTS

Priority	Agency	Title
8 / 42	DOE	Provide, expand, or enhance funding for Child Care and Head Start programs
10 / 42	DYCD	Other youth workforce development requests
28 / 42	DOE	Other educational programs requests

PUBLIC SAFETY AND EMERGENCY SERVICES

Queens Community Board 3

Most Important Issue Related to Public Safety and Emergency Services

Crime prevention programs

Community District Needs Related to Public Safety and Emergency Services

Needs for Public Safety

Police Department Community Board 3 continues to support the Roosevelt Avenue Task Force. Keep the Roosevelt Avenue Task Force and Impact Zone initiatives in place. Our local precinct is doing an outstanding job but could benefit from increased personnel and resources. Hire civilians to cover administrative duties so that police officers can be freed up to address crime and quality of life complaints. School Crossing Guards. Hire additional school crossing guards to cover all of our area schools. The NCO program was recently implemented in Community Board 3. We see the program's value and its potential to significantly impact the quality of life of our residents. That is why we support the proposal to have additional NCO personnel so there will be coverage for 24 hours/seven days per week. We hope that serious consideration is given to our request.

Needs for Emergency Services

Fund FDNY's Smoke and Carbon Monoxide Detectors Distribution Program Community Board 3 supports this life saving program.

Further outreach is needed to discourage the storage of e-bike

lithium batteries in apartments and garages. Many of our recent fires have been caused due to this reason.

PUBLIC SAFETY AND EMERGENCY SERVICES

Note: Please see Section 7 for the full content of each request

CAPITAL BUDGET REQUESTS

Priority	Agency	Title
21 / 50	FDNY	Rehabilitate or renovate existing fire houses or EMS stations
32 / 50	FDNY	Provide new emergency vehicles, such as fire trucks or ambulances
33 / 50	FDNY	Other FDNY facilities and equipment requests
34 / 50	FDNY	Provide new facilities such as a firehouse or EMS station
40 / 50	FDNY	Provide new emergency vehicles, such as fire trucks or ambulances

EXPENSE BUDGET REQUESTS

Priority	Agency	Title
5 / 42	NYPD	Hire additional uniformed officers
27 / 42	NYPD	Hire additional traffic enforcement agents

CORE INFRASTRUCTURE, CITY SERVICES AND RESILIENCY

Queens Community Board 3

Most Important Issue Related to Core Infrastructure, City Services and Resiliency

Air quality and pollution

Air Pollution Monitors

CB3 is surrounded by LaGuardia Airport, BQE and Grand Central Parkway. Our residents are concerned about the impact of fumes emitting from motor vehicles and planes in the community. There is a high incidence of asthma & respiratory disease in our district. The need to install air monitors in our area is clear.

Community District Needs Related to Core Infrastructure, City Services and Resiliency

Needs for Water, Sewers, and Environmental Protection

Provide Funding for The Installation of a Dedicated Sewer System and Implement the Army Corp of Engineers Recommendations

For decades residents have complained about the flooding that occurs whenever there is heavy rainfall. It was thought that these storms used to occur once in a hundred years. However, due to climate change, the incidence of flooding and sewer backups have become more frequent. We call upon the City of New York to invest in upgrading our combined sewer to a dedicated system. In light of the devastation that the City of New York has experienced with Hurricane Ida, it would be wise to provide funding to construct a dedicated sewer system, for doing so, will help to reduce the possibility of any further loss. We ask DEP to give serious consideration to our request.

Needs for Sanitation Services

Increase Litter Basket Collections Along Our Commercial Strips In order to improve the level of cleanliness throughout the district, increase litter basket collection to three times per day. Urgent attention is needed along 37th Ave.; Junction Blvd.; Roosevelt Ave.; Northern Blvd.; 103rd St. and 74th Streets; Astoria Blvd, 73rd Street and 72nd Street in Jackson Heights. Providing these additional services will have a positive impact on the affected businesses and overall community.

Queens Community Board 3

Most Important Issue Related to Housing, Economic Development and Land Use

Affordable housing creation

Affordable Housing and Homelessness Across the city, the incidence of homelessness has increased and is climbing because of the lack of affordable housing. In our district, affordable housing is one of our top concerns because there are few affordable housing units. According to the Furman report more than 53.3% of our population pay 35% or more of their income for rent. In addition, 25.5% of our residents live below the poverty level. For many of these families, it is a struggle each month. They have to make the difficult decision as to whether to pay the rent or forgo other essential needs. They are always at risk for eviction and homelessness. Our housing courts tell the story; there is a disproportionate number of minority, low income and at risk individuals in housing court. Many cannot afford an attorney and end up losing their homes. We are in a housing crisis, fewer affordable units are being developed and the focus now is to build luxury market rate apartments that cater to wealthier clientele. While there is housing construction all over the district none of the developments are intended for low to middle income families. To add to the mix, some unscrupulous landlords are forcing out families that are poor, have fixed incomes, those who cannot afford the higher rents, many seniors and disabled individuals have been impacted. Further, some of the participating property owners are opting out of the rent stabilization program. Community Board 3 therefore calls upon the City of New York to put systems in place to encourage the development of affordable housing. More has to be done, set a plan of action to encourage landlords to remain in the rent stabilization program. Develop incentives to attract new property owners to participate in rent stabilization. We critically need more affordable housing and ask that urgent attention be given to this important issue.

Needs for Housing

See budget requests.

Community District Needs Related to Housing, Economic Development and Land Use

Needs for Land Use

: Increase staffing levels for Administrative & Community Outreach Units. Additional administrative and community personnel is needed to improve the agency's ability to disseminate information and work with property owners.

Needs for Housing

Construct Affordable Housing for Middle, Low Income Families and Seniors Around the district new buildings are going up, but nearly none of are affordable. A recent survey reported that "49 % of Queens residents shell out as much as 48% of their income on housing." In CB3, the average rental rate for apartments is approximately \$1600 a month for one bedroom, which is far out of range for most working families. Young people who were born and raised in our community and seniors on fixed incomes cannot afford to live in the District. There is a urgent need for mid-low income housing facilities. We have noted that in order to pay expensive rents families are doubling and tripling up in apartments and houses. We need affordable housing that will fit in and support the needs of the existing community. Strategies and programs must be developed to stimulate the production of affordable housing facilities. Employ programs such as No property taxes for 5 years to encourage the development of affordable housing.

Needs for Economic Development

HOUSING, ECONOMIC DEVELOPMENT AND LAND USE

Queens Community Board 3

Most Important Issue Related to Transportation and Mobility

Parking operations

Revisit, Review Recent Traffic Modifications.

DOT has implemented several initiatives within QCB3 that businesses have requested review. Modifications on Northern Boulevard, 34th Avenue, and Roosevelt Avenue has resulted in the loss of parking spaces. Establishments complain that due to limited parking fewer customers are patronizing their businesses. Customers are opting to go to Long Island and locations where there is onsite parking. Some of these traffic changes have seriously impacted our small businesses' bottom line. A few suggestions are to remove unused outdoor seating structures and install parking meters. We call upon the agency to look into these concerns. Speak with the area entrepreneurs to get a better understanding of the impacts these changes have made on their businesses.

Needs for Traffic and Transportation Infrastructure

See budget requests.

Community District Needs Related to Transportation and Mobility

Needs for Traffic and Transportation Infrastructure

Upgrade street lights located along Roosevelt Avenue from 72nd to 114th Streets. The recently installed streetlights are directed towards the street leaving the sidewalks very dark. Residents including NYPD are concerned about the unsafe conditions that could be caused due to poor or no lighting on the sidewalks. The illumination of the street lights are blocked by the elevated number 7 subway line. Enhance street lighting by installing pedestrian lights on Roosevelt Avenue at the aforementioned locations as expeditiously as possible.

Needs for Transit Services

MTA Queens Bus Redesign

Queens Community Board3 participated in the review of the MTA Bus Redesign proposal

We would like to see the final design and modifications before the MTA adopts the planned changes. Our residents rely on public transportation and it is important that the MTA's plans improves services for our district.

TRANSPORTATION AND MOBILITY

PARKS, CULTURAL AND OTHER COMMUNITY FACILITIES

Queens Community Board 3

Most Important Issue Related to Parks, Cultural and Other Community Facilities

Other - Write In (Required)

Park Care and Street Tree Maintenance

While our parks management does a great job with the resources that are available; we continue to advocate for additional funding for increased services and upgrades. Below are only a few of our Parks and Forestry related priorities:

Increase rodent abatement services in area parks

Reconstruct and Restore lavatory facilities at North Playground, and near the World's Fair Marina Banquet.

Increase the budget to hire additional personnel, parks associates, life guards and PEP officers.

Travers Park- Improve lighting

Provide Wi-Fi in all area parks

Staunton Field Tennis Courts- resurface tennis courts to professional grade

Landing Lights A Ballfield and Adjacent Dog Park- Make necessary repairs to ballfield and beautify dog park by adding seating and reseeding the grass.

Increase funding for the maintenance of street trees and raised sidewalks.

The aforementioned priorities are very important to our community and require restating.

Needs for Parks

See budget requests.

Community District Needs Related to Parks, Cultural and Other Community Facilities

Needs for Parks

Open Space/Recreational Facilities and Programs Our community needs and deserves more park space. It is well documented that CB3. Queens comes in second citywide as to having the least amount of park space. PlanNYC indicates that Community Board3's open space is at .04 acres per 1000 residents, particularly in Jackson Heights. Combining the acreage of our athletic fields, courts, passive open spaces and community gardens totals .16 per 1000 resident. CB3 is woefully below the open space requirements set by NYC Neighborhood Standards. We are committed to finding creative ways in which to increase public spaces and recreational programming within our district. We have supported expanding our public space by converting local streets into temporary playstreets/plazas and purchased private property to enlarge a local park, i.e. 78th Street Playstreet, Diversity Plaza and Rory Staunton Field. While we are grateful for what has been accomplished thus far additional park space is sorely needed. We ask that funding be provided so that new sites can be identified and developed.

Needs for Cultural Services

Louis Armstrong House Museum- Education Visitor Center The Louis Armstrong House Museum is a National Historic Landmark and a New York City landmark. It is the only landmark located within the confines of Community Board3 LAMH is located in the heart of North Corona. It is reported that the museum hosts over 12,500 visitors each year. The Visitor's Center is in its final stages of development. The new addition will allow the institution to accommodate more visitors; large

groups, provide housing for the storage of the Louis Armstrong Archives, and expand programming to include concerts and forums. The current space is too small to conduct the aforementioned activities. Community Board 3 fully supports this project. We request that the construction of the n Visitor's Center be fully funded; that work commences expeditiously and opened before the close of 2023.

Needs for Library Services

Library Services

Community Board 3 has four libraries and all are well utilized. The Center for Urban Future indicates that visitors to the Jackson Heights branch exceeded 445,970, North Corona 240,466., Langston Hughes 168,849, and East Elmhurst 66,595. Our residents both adults and children rely on our local libraries for employment information, cultural and educational programs, and general access to the internet. Libraries have always been one of our top priorities. We are pleased to see that our local facilities will be opened six days a week. We now look forward to the advancement of the following projects: Movement on the expansion of the Jackson Heights Library has started. The Jackson Heights facility is the most heavily utilized branch in North West Queens.

Residents are requesting that a library be constructed for neighborhood located north of Northern Boulevard. Constituents complain that they would use library services more frequently if there were a facility closer to their neighborhood. We ask that the QPL System seriously consider our requests and move the constructing a facility north of Northern Boulevard and expand the Corona Library.

Needs for Community Boards

Increase Funding Levels for Community Boards Provide Community Boards with Access to 311 Data Specific to Each Board Area . Explanation: Community Boards are understaffed, and underfunded and have always worked with less even during times of prosperity. An increase in funding levels for Community Boards would be in order. In addition, the advent of Hurricane Sandy and Irene underscored the need for improved communications with 311. We need the ability to retrieve information from the 311 databases in order to analyze conditions that impact our community. Community Boards are now required to Live Stream meetings as per the Comptroller's Office. We do not have the financial wherewithal to pay for consultant fees or equipment. In order for community boards to meet the mandate additional funding must be allocated.

PARKS, CULTURAL AND OTHER COMMUNITY FACILITIES

The new facility would host local and international artists and could be the home of the Jackson Heights Orchester.</i>
Provide a new or expanded park or amenity (i.e. playground, outdoor athletic field)	26 / 50 DPR	Provide a new or expanded park or amenity (i.e. playground, outdoor athletic field)	<i>Upgrade Gorman Playground, Phase 2 (Multiple purpose area, basketball and volleyball courts). The court requires maintenance and a new gate, adult fitness and rehab of rest rooms.</i>
Reconstruct or upgrade a park or amenity (i.e. playground, outdoor athletic field)	27 / 50 DPR	Reconstruct or upgrade a park or amenity (i.e. playground, outdoor athletic field)	<i>Upgrade Northern Playground, Phase 2 (Multiple purpose area, basketball, and volleyball courts). Maintenance is needed and a gate at the handball court.</i>

Improve access to a park or amenity (i.e. playground, outdoor athletic field)	28 / 50 DPR	Improve access to a park or amenity (i.e. playground, outdoor athletic field)	<i>Rehab ramp and railings underneath the Marina</i>
Repair or construct sidewalks, curbs, or pedestrian ramps	29 / 50 DOT	Repair or construct sidewalks, curbs, or pedestrian ramps	<i>Request: Provide funding for curb repair. Explanation: While the property owner is responsible for the repair of sidewalks and encouraged to replace curbs, all too often, violations go unaddressed because of financial difficulties or neglect. Unsafe conditions are left to the city to be corrected. It is therefore important that funding to hire more outside contractors to perform sidewalk and curb repairs be increase.</i>
Upgrade Playground	30 / 50 DPR	New equipment for maintenance	<i>Upgrade Northern Playground (Including play equipment, restrooms, sitting area). Make it more colorful.</i>
Enhance park safety through design interventions, e.g. better lighting	31 / 50 DPR	Enhance park safety through design interventions, e.g. better lighting	<i>Improve overall lighting of the Promenade and replace decorative pavers.</i>
Provide new emergency vehicles, such as fire trucks or ambulances	32 / 50 FDNY	Provide new emergency vehicles, such as fire trucks or ambulances	<i>Purchase a Medical Service Vehicle - FDNY/EMS for the Borough of Queens (for 10 patients at a time can be attended to on this mobile vehicle) Existing vehicle is over 29 years old.</i>
Other FDNY facilities and equipment requests	33 / 50 FDNY	Other FDNY facilities and equipment requests	<i>Purchase for FDNY - Mutual aid Rapid Response Vehicle - For Citywide use state of the art vehicle that will transport equipment and supplies in emergency situations.</i>
Provide new facilities such as a firehouse or EMS station	34 / 50 FDNY	Provide new facilities such as a firehouse or EMS station	<i>At EMS Unit 406 - Upgrade men's locker room and shower.</i>
Improve access to a park or amenity (i.e. playground, outdoor athletic field)	35 / 50 DPR	Improve access to a park or amenity (i.e. playground, outdoor athletic field)	<i>Install exercise equipment chinup bars etc. adjacent to the men's room. Upgrade the multipurpose area of Gorman Park.</i>
Improve access to a park or	36 / 50 DPR	Improve access to a park or	<i>Upgrade Louis Armstrong Playground at P.S 143 (Including Spray Shower).</i>

amenity (i.e. playground, outdoor athletic field)		amenity (i.e. playground, outdoor athletic field)	
Improve access to a park or amenity (i.e. playground, outdoor athletic field)	37 / 50 DPR	Improve access to a park or amenity (i.e. playground, outdoor athletic field)	<i>Upgrade Private William Gray Park (98 St. between Northern Blvd. & 32nd Ave) play equipment, plantings and replace benches.</i>
Reconstruct or upgrade a park or amenity (i.e. playground, outdoor athletic field)	38 / 50 DPR	Reconstruct or upgrade a park or amenity (i.e. playground, outdoor athletic field)	<i>Repair raised pavers at Flushing Bay Promenade that is due to overgrown tree roots. (Potential trip hazards).</i>
Other cultural facilities and resources requests	39 / 50 DCLA	Other cultural facilities and resources requests	<i>Our population is increasing and the area of Jackson Heights. There are no recreational centers. The development of an indoor inter-generational recreational center would be welcomed.</i>
Provide new emergency vehicles, such as fire trucks or ambulances	40 / 50 FDNY	Provide new emergency vehicles, such as fire trucks or ambulances	<i>Purchase a Bariatric Ambulance Unit.</i>
Other traffic improvement requests	41 / 50 DOT	Other traffic improvement requests	<i>Replace sidewalks at Landing Lights A.</i>
Reconstruct Restroom	42 / 50 DPR	Improve access to a building in a park	<i>Reconstruct restrooms in Northern Playground.</i>
Reconstruct Restroom	43 / 50 DPR	Other requests for park, building, or access improvements	<i>Reconstruct Restrooms at I.S 227 School</i>
Resurface	44 / 50 DPR	Improve access to a park or amenity (i.e. playground, outdoor athletic field)	<i>Location: 78th Street & 34th Ave Staunton Field Tennis Courts - Resurface tennis courts to professional grade.</i>
Lighting	45 / 50 DPR	New equipment for maintenance	<i>Improve Lighting at Travers Park</i>
Renovation	46 / 50 DPR	Improve access to a park or	<i>Landing Lights A: Renovate ballfield</i>

		amenity (i.e. playground, outdoor athletic field)	
Renovation	47 / 50 DPR	New equipment for maintenance	Location: 25th Ave & 79th Street <i>Landing Light A: Renovate Dog Park, add benches and reseed grass.</i>
Air Conditioning & Electrical Units	48 / 50 DOE	Other capital request for DOE	<i>New Air Conditioning Units and Electrical work for to be placed in offices at the Louis Armstrong School.. Although the Mayor's Office had placed air conditioners in all classrooms, they did not allow for repairs or replacements when they break down. Many air conditioners have broken down and need repair. IS 227 is a 4 story building, the top floors are without air conditioning have exceeded 100 degrees on hot days. In addition, our School Counselors, Social Workers and Nurses Office desperately need air conditioning to serve their students. These offices may need electrical work to be compatible with new air conditioners.</i>
New Elevator	49 / 50 DOE	Other capital request for DOE	<i>A new elevator is requested to accommodate students with vision and mobility needs. The existing elevator has been in place since the opening of the school doors in 1979. It constantly breaks down leaving students to be relocated to the first floor and losing out on their rightful education. The wait for parts for this outdated elevator has taken months at a time. The urgently needs replacement.</i>
Upgrade Bathrooms	50 / 50 DOE	Other capital budget request for DOE	<i>Most bathrooms are in their original state when the building was opened in 1979. The floor tiles and fixtures desperately need replacement</i>
Other capital budget request for DEP	CS DEP	Other capital budget request for DEP	<i>Request: Fund a Study For The Construction of a Separate Sewer System for 103rd & Northern Blvd., 25th Avenue & 81st Street, 77th Street & 30th Avenue, 25th Avenue and 77th Street and 25th Avenue and 76th Street. Explanation: Neighborhoods that were once comprised of one & two family homes have been replaced with units of six to ten families. These changes have increased the demand on our infrastructure & sewer system. Before</i>

1996, conditions were confined to East Elmhurst or North of Northern Blvd. Sewer backup conditions are now district-wide.

Reconstruct streets	CS DOT	Reconstruct streets	Location: 86th Street - 25th Avenue & 25th Avenue <i>Request: Resurface Streets in Community Board 3. Explanation: Resurface Junction Blvd. between Northern and Roosevelt Avenues, 37th Ave from Junction Blvd. to 114th Street, 82nd Street from Roosevelt Ave to the BQE, Roosevelt Ave from 114th to 69th Streets and Astoria Blvd. from 69th to 114th Streets.</i>
Other park maintenance and safety requests	CS DPR	Other park maintenance and safety requests	<i>Continued Support: Repair the drainage at Flushing Meadows Corona Park.</i>
Reconstruct or upgrade a building in a park	CS DPR	Reconstruct or upgrade a building in a park	<i>Continued Support - Restore the Queens Green House at Forest Park.</i>
Renovation	CS DPR	New equipment for maintenance	<i>Helen Marshall Playground - Capital project for renovation of baseball field.</i>

EXPENSE BUDGET REQUESTS

Title	Priority Agency	Request	Explanation
Investigate air quality complaints at specific location	1 / 42 DEP	Investigate air quality complaints at specific location	<i>Request: Install Air Monitors in the Neighborhoods of Jackson Heights and East Elmhurst that are located near LaGuardia Airport. Explanation: CB3 is surrounded by LaGuardia Airport, BQE and The Grand Central Parkway. Our residents are concerned about the impact of fumes emanating from motor vehicles and planes in the community. There is a high incidence of asthma & respiratory disease in our district. The need to install air monitors in our area is clear.</i>
Other expense budget request for DoITT	2 / 42 DOITT	Other expense budget request for DoITT	<i>Improve access to government services and information by sharing 311 data with Community Boards. Please make more resources available to the community board.</i>
Other programs	3 / 42	Other programs	<i>Increase funding for rodent abatement.</i>

to address public health issues requests	DOHMH	to address public health issues requests	<i>Lets cleanup public areas. Hire more exterminators to reduce and curtail infestations.</i>
Provide more frequent litter basket collection	4 / 42 DSNY	Provide more frequent litter basket collection	<i>Restore litter basket collections to three times per day in our commercial strips – 37th Ave; Junction Blvd; Roosevelt Ave; Northern Blvd; 103rd Street; and 74th Street; Astoria Blvd., 73rd and 72nd Streets in Jackson Heights. Hire additional personnel for 11am- 7pm shift in order to increase litter basket patrol truck service particularly during weekends.</i>
Hire additional uniformed officers	5 / 42 NYPD	Hire additional uniformed officers	<i>Request: Restore our full complement of NYPD personnel, NCO (s), administrative aides, custodial services, and school safety guards. Explanation: QCB3 has lost Police Officers due to retirement, sick leave and reassignments. While the 115 Precinct is doing a great job with current resources, our community deserves replacement of loss personnel. Hire additional custodial personnel for the 115 precinct. The additional staff will improve the precinct's day-to-day operations.</i>
Extend library hours or expand and enhance library programs	6 / 42 QL	Extend library hours or expand and enhance library programs	<i>Request: Keep Queens Libraries Open 7 Days a week with one late night closing at 10:00pm. Explanation: Extend the hours of our libraries. Later closing hours would be beneficial for our adult mature students and night events.</i>
Snap	7 / 42 HRA	Other expense request for HRA	<i>Due to the rise of food insecurity, additional pantries and resources are warranted. Since the pandemic, our community's greatest challenge is food insecurity.</i>
Provide, expand, or enhance funding for Child Care and Head Start programs	8 / 42 DOE	Provide, expand, or enhance funding for Child Care and Head Start programs	<i>Request: Restore Day Care Slots and after school programs. Explanation: Our Community's population has increased. Many of our young working families require day care services & after school programs. Working parents deserve programs that will serve the needs of their pre-school children ages three months to five years old.</i>
Other cleaning requests	9 / 42 DSNY	Other cleaning requests	<i>Provide funding for weekly power-washing of Roosevelt Ave, Junction Blvd. and Diversity Plaza.</i>

Other youth workforce development requests	10 / 42 DYCD	Other youth workforce development requests	<i>Request: Restore and Increase funding for youth, adult and senior programming in Jackson Heights, North Corona and East Elmhurst. Explanation: There is a severe shortage of programs in CD3 that cater to the recreational needs of our youth and seniors. Our community deserves quality facilities and programming that will enrich our lives.</i>
Other garbage collection and recycling requests	11 / 42 DSNY	Other garbage collection and recycling requests	<i>Increase funding to provide additional cleaning services to Roosevelt Ave from 69th to 114th Streets. The mayor has allocated additional funding. We hope some of these monies will come our way.</i>
Other expense budget request for DPR	12 / 42 DPR	Other expense budget request for DPR	<i>Request: Install free WIFI in CB3 parks and Plazas. Explanation: Upgrade our area parks by installing free WIFI services. Keep park users plugged in and informed.</i>
Other expense request	13 / 42 DCWP	Other expense request	<i>Hire interpreter for Chinese, Bangali and other languages that can be deployed onsite to nonprofit, social service contractors, including food pantries, housing, counseling and senior centers.</i>
Other cleaning requests	14 / 42 DSNY	Other cleaning requests	<i>Location: Boody Street Increase funding for sanitation MLP service in section 31. Explanation: The monies would allow sanitation to provide additional services to the areas that are mostly in need within our district.</i>
Other expense budget request for HPD	15 / 42 HPD	Other expense budget request for HPD	<i>Provide funding for home-base services within the confines of Queens Community Board 3.</i>
Other park programming requests	16 / 42 DPR	Other park programming requests	<i>Request: Increase parks staffing levels for maintenance personnel. Hire a parks associates for PS 127 and Junction Boulevard parks and assistant gardener. Explanation: CB3 requires additional associates in our area parks, currently there are only two associates in the entire district, Gorman park and Travers. We deserve more programs and services.</i>
Expand clean space initiatives for public sites and graffiti free removal program for private sites	17 / 42 EDC	Expand clean space initiatives for public sites and graffiti free removal program for private sites	<i>Request: Increase Graffiti Removal Programs. Explanation: To combat the increased incidence of graffiti in CD#3, additional monies are needed for these support programs.</i>

along commercial business corridors		along commercial business corridors	
Other expense budget request for SBS	18 / 42 SBS	Other expense budget request for SBS	<i>Far too many businesses are closing their doors because of high rents and reduction of customer base. Local merchants could benefit from the assistance of SBS.</i>
Inspect sanitary sewer on specific street segment and repair or replace as needed	19 / 42 DEP	Inspect sanitary sewer on specific street segment and repair or replace as needed	<i>Increase DEP inspectorial personnel to address dumping and other environmental infractions in Flushing Bay.</i>
Other traffic improvement requests	20 / 42 DOT	Other traffic improvement requests	<i>Request: Increase funding to hire additional personnel to install, replace traffic/street signs, repair pot holes for Queens DOT Explanation: Increase funding to hire personnel for sign replacement and pothole repair.</i>
Other expense budget request for DOB	21 / 42 DOB	Other expense budget request for DOB	<i>Increase staffing Level for DOB Compliance Unit.</i>
Provide, expand, or enhance programs for housing inspections to correct code violations	22 / 42 HPD	Provide, expand, or enhance programs for housing inspections to correct code violations	<i>HPD - Increase inspectorial staffing levels for HPD (Housing Preservation and Development)</i>

Increase health and safety inspections, e.g. for restaurants and childcare programs	24 / 42 DOHMH	Increase health and safety inspections, e.g. for restaurants and childcare programs	<i>Request: Hire additional Department of Health Inspectors to conduct night inspections. Explanation: Unlicensed food vending along Roosevelt Ave, Broadway, 74th and 37th Avenues are increasing. The community would benefit from having more inspections conducted particularly at night where the problem is most prevalent.</i>
Enhance NORC programs and health services	25 / 42 DFTA	Enhance NORC programs and health services	<i>Request: Provide funding to increase NORC (Naturally Occurring Retirement Community) Programming in CB3. Explanation: Seniors are the second largest population within CB3. It is</i>

important that senior programming such as NORC be made available to our elder residents. Providing health and social services within the confines of their coop/apartment complexes would significantly improve their quality of life.

Cameras	26 / 42 DOT	Add street signage or wayfinding elements	Location: 27th - 31st Drive & Ditmars Blvd. <i>Install cameras at the overpasses located at 27th and 31st Drive on Ditmars Blvd.</i>
Hire additional traffic enforcement agents	27 / 42 NYPD	Hire additional traffic enforcement agents	<i>Increase funding to hire additional traffic enforcement agents to address double parking and other traffic infractions.</i>
Other educational programs requests	28 / 42 DOE	Other educational programs requests	<i>Provide and increase funding for the STEAM program within CB3. STEAM is a method of instruction that incorporates Science, Technology, Engineering, the Arts, and Mathematics and helps to promote student critical thinking. Every classroom should have access to these important resources.</i>
Other expense budget request for DPR	29 / 42 DPR	Other expense budget request for DPR	<i>Provide a more accessible independent electrical source at the performance area/stage in Travers Park</i>
Prune Overgrown Trees	30 / 42 DPR	Forestry services, including street tree maintenance	Location: Ditmars Boulevard <i>Prune overgrown trees and general cleanup and beautification at Overlook Park.</i>
Improve Lighting	31 / 42 DPR	Other park maintenance and safety requests	<i>Install and Improve lighting at entrances, clean-up and beautify entrances, address serious rodents' problems and homeless encampment at Promenade Overpass entrances.</i>
Prune Overgrown Trees	32 / 42 DPR	Forestry services, including street tree maintenance	Location: 23rd Ave - 82nd & 100th - 82nd Street & 100th Street <i>Address overgrown shrubs, trees, and weeds that obstruct visibility and Cleanup and beautification of medians on 23rd Avenue between 82nd and 100th Streets.</i>
Staffing	33 / 42 DPR	Enhance park safety through more security staff (police or parks enforcement)	<i>Increase staffing levels for PEP Officers to address issues related to all area parks.</i>

Housing	34 / 42 NYCHA	Other expense budget request for NYCHA	<i>Fund a study in collaboration with CB3 that creates a plan for increasing the supply of housing within the district.</i>
Other park maintenance and safety requests	35 / 42 DPR	Other park maintenance and safety requests	<i>Increase funding levels to hire additional staff to maintain the parks landscapes.</i>
Increase enforcement of illegal posting laws	36 / 42 DSNY	Increase enforcement of illegal posting laws	<i>Increase funding for illegal posting personnel.</i>
Enhance park safety through design interventions, e.g. better lighting	37 / 42 DPR	Enhance park safety through design interventions, e.g. better lighting	<i>Request: Extend fencing at Northern Boulevard Playground. Explanation: Part of the fencing at this playground is chain linked and the balance is wrought iron. Remove the chain linked portion of the fence and replace it with wrought iron for safety and aesthetic reasons.</i>
Other business regulatory assistance requests	38 / 42 SBS	Other business regulatory assistance requests	<i>Implement Economic Development programs which would include entrepreneurial training, loan packaging, micro Loan Program, management training, export assistance.. Assistance is needed to coordinate neighborhood redevelopment, marketing & anti-graffiti programs. Funding these programs would make a significant difference for the business community in CB3..</i>
Improve traffic and pedestrian safety, including traffic calming	39 / 42 DOT	Improve traffic and pedestrian safety, including traffic calming	<i>Repair or construct new curbs or pedestrian ramps. Provide funding for curb repair. While the property owner is responsible for the repair of sidewalks and encouraged to replace curbs, all too often, violations go unaddressed because of financial difficulties or neglect. Unsafe conditions are left to the city to be corrected. It is therefore important that funding to hire more outside contractors to perform sidewalk and curb repairs be increased.</i>
Bathroom Upgrades	40 / 42 NYCHA	Other expense budget request for NYCHA	<i>Bathroom upgrades - Most bathrooms are in their original state when the building was opened in 1979. The floor tiles need to be desperately replaced in the bathrooms along with the fixtures.</i>
MRI Equipment	41 / 42 HHC	Other expense budget request for HHC	<i>Elmhurst Hospital's Radiology department is facing significant patient backlogs. As a result patients often experience delays to their needed</i>

imaging, diagnosis, and treatment, which can negatively affect their outcomes. There is a strong need for an additional scanner as demand continues to grow. The hospital is requesting a new platform uniformly, proficiency, and key factors in meeting the demand. Elmhurst Hospital is seeking approval of the purchase of a new Philips Ingenia Ambition X 1.5T MR with an Evolution upgrade. Elmhurst Hospital's current Philips MR will reach End-of-life in 2028 and with a single MR at this location, is unable to keep pace with the current demand.

New MRI Scanner	42 / 42 HHC	Other expense budget request for HHC	<i>New MRI Equipment Currently, Elmhurst Hospital's Radiology department is facing significant patient backlogs. As a result, patients often experience delays to their needed imaging, diagnosis, and treatment, which can negatively affect their outcomes. There is a strong need for an additional scanner as demand continues to grow. The hospital is requesting a new Platform uniformity, proficiency, and efficiency are key factors in meeting the demand. Elmhurst Hospital is seeking approval of the purchase of a new Philips Ingenia Ambition X 1.5T MR to meet this demand. In addition to this new MR project, Elmhurst is looking to upgrade their current Ingenia 1.5T MR with an Evolution upgrade. Elmhurst Hospital's current Philips MR will reach End-of-Life in 2028 and with a single MR at this location, is unable to keep pace with the current demand.</i>
