INTRODUCTION

The annual Statements of Community District Needs (CD Needs Statements) and Community Board Budget Requests (Budget Requests) are Charter mandates that form an integral part of the City's budget process. Together, they are intended to support communities in their ongoing consultations with city agencies, elected officials and other key stakeholders and influence more informed decision making on a broad range of local planning and budget priorities. This report also provides a valuable public resource for neighborhood planning and research purposes, and may be used by a variety of audiences seeking information about New York City's diverse communities.

HOW TO USE THIS REPORT

This report represents the Statement of Community District Needs and Community Board Budget Requests for Fiscal Year (FY) 2027. This report contains the formatted but otherwise unedited content provided by the community board, collected through an online form available to community boards from June to November, 2025.

Community boards may provide substantive supplemental information together with their Statements and Budget Requests. This supporting material can be accessed by clicking on the links provided in the document or by copying and pasting them into a web browser, such as Chrome, Safari or Firefox.

If you have questions about this report or suggestions for changes please contact:
CDNEEDS_DL@planning.nyc.gov

This report is broadly structured as follows:

1. **Overarching Community District Needs**

Sections 1 – 4 provide an overview of the community district and the top three pressing issues affecting this district overall as identified by the community board. Any narrative provided by the board supporting their selection of their top three pressing issues is included.

2. **Policy Area-Specific District Needs**

Section 5 is organized by seven distinct policy areas aligned with the service and program areas of city agencies. For each policy area, community boards selected the most important issue for their districts and could provide a supporting narrative. The policy area section also includes any agency-specific needs and a list of relevant budget requests submitted by the community board. If the community board submitted additional information outside of a specific policy area, it may be found in Section 6.

3. **Community Board Budget Requests**

The final section includes the two types of budget requests submitted to the City for the FY24 budget cycle; one list for capital and another for expense budget requests. For each budget request, community boards were able to provide a priority number, explanation, location, and supporters. OMB remains the definitive source on budget requests submitted to city agencies.

Disclaimer

This report represents the Statements of Community District Needs and Community Board Budget Requests of this Community District for Fiscal Year 2027. This report contains the formatted but otherwise unedited content provided by the community board.

Budget Requests: Listed for informational purposes only. OMB remains the definitive source on budget requests and budget request responses.

Budget Priorities: Priority numbers apply to expense and capital Budget requests from all policy areas. A complete list of expense and capital budget requests by this Board sorted by priority can be found in Section 7 of this document.

Supporting Materials: Some community boards provided substantive supplemental information. This supportive material can be accessed by clicking on the links provided in the document or by copying and pasting the links provided in the Appendix into a browser.

Population Division, New York City Department of City Planning

Statement on Data Accuracy

Under Title 13 of the U.S. Code, the Census Bureau is legally bound to protect the privacy of individuals participating in the decennial census. To adhere to the law and to avoid the disclosure of information about individual respondents, the Census Bureau has historically applied a host of techniques, such as top- and bottom-coding, imputation, table- and cell-suppression, and data swapping. The Census Bureau is employing a new technique with the 2020 Census, referred to as the Disclosure Avoidance System (DAS), based on differential privacy. With this approach, the Census Bureau “infuses noise” systematically across census data and sets a quantified disclosure risk, referred to as the Privacy Loss Budget (PLB).

While the new DAS approach may diminish the risk of disclosure concerns, it comes at a cost to data accuracy. Consequently, 2020 Census data users should be aware that all sub-state counts, except for housing units (which are unaffected by the DAS), may be adjusted to protect the privacy of Census participants and may be subject to reduced accuracy. Because DAS noise infusion is randomized, it is impossible for data users to know the degree to which any individual statistic is altered. However, it is possible to say that in general the relative size of errors decreases as counts increase. Consequently, data users should have greater confidence in the accuracy of the data as counts get larger. Further, an evaluation of a Privacy-Protected Microdata File (PPMF), treated with a Disclosure Avoidance System like the one applied to 2020 redistricting data, showed that counts of 300 or more rarely have sizable errors (error beyond +/- 10% of the count). Therefore, while data users need to be cognizant of data accuracy limitations, they should have confidence in conclusions based on sizable counts, which are relatively unaffected by the Census Bureau’s latest disclosure avoidance method.

3. OVERVIEW OF COMMUNITY DISTRICT

Queens Community Board 3 FY2026 District Needs Statement

The community continues to grow, and our basic priorities remain the same. Community Board 3's goal is to enhance the quality of life for all its residents from our very young to seniors. Community Board 3 is comprised of the neighborhoods of East Elmhurst, Jackson Heights, and North Corona bounded by the Brooklyn- Queens Expressway to the west, Grand Central Parkway to the north, Flushing Meadow Corona Park to the east, and Roosevelt Avenue to the south. The district encompasses zip codes 11368, 11369, 11370, and 11372.

CB3's land area is 3.0 square miles and is serviced by the 115th Police Precinct; Sanitation Queens West 3; Fire Engine Company 307/Ladder 154 and Engine Company 316; 23 Public schools; 11 private and parochial schools; 2 post-secondary degree-granting institutions; 4 public libraries; 1 private library; 28 Day Care/ Head Start facilities; 11 known mental health facilities; 12 residences that provide services for individuals with developmental disabilities; 11 shelters; 9 park/playgrounds; 1 vest-pocket park; 7 sitting areas; 8 park strips, 2 Dog Parks, Diversity Plaza, 26 block open street located on 34th Avenue, Travers Park has incorporated 78th Street Play Street in its expansion of the facility, Fisher Pool and Malcolm X Promenade.

The district lies in the shadow of La Guardia Airport, where some of its residents are employed. Airport-related uses along a portion of its northernmost street Ditmars Boulevard, are evident with the presence of hotels such as the Marriott Hotel, La Guardia Plaza, National Car Rental maintains a major facility, and the Vaughn College- School of Aeronautics is in the vicinity. Our major shopping districts and commercial corridors are located along Roosevelt Avenue on the southern boundary of the district; Astoria Boulevard on the northern boundary; 37th Avenue, Northern Boulevard, 73 Street; 74th Street, 82nd Street, 90th Street, Junction Boulevard, 103rd Street. The district's showplaces within the M-1 zone are the Bulova Corporate Center, and Home Depot. There are a many notable sites located within the confines of the district to name a couple ; the Jackson Heights Historic District, America's first planned "garden city" and the Louis Armstrong House/Museum, a national landmark in North Corona. Community Board 3 is densely populated and probably the most diverse community on the planet.

According to NYU Furman Center, 62.8% of our population is foreign-born and most of our citizens originate from Latin America. Over Forty-Eight percent (48.8 %) of these residents have limited English proficiency in contrast to the Borough which is at 28.89% and the City of New York at 23.1%. More services for these constituents are critically needed. The Census reports that our population is 178,022, which means that our numbers have increased since the 2000 census. It is widely known, however, that New York was severely under-counted in the last census. We, therefore, believe that NYU Furman Center's single-year indicator which projects our population to be at 185,815 is probably a more accurate count.

While there are three distinct neighborhoods, North Corona, East Elmhurst, and Jackson Heights in Queens Community Board 3, we are all working towards a common goal to improve the quality of life for our families and community. We, therefore, continue to advocate for our top priorities:

Construct a New Hospital in East Elmhurst, North Corona,

Build a New High School at the stalled construction site at 112- 51 Northern Boulevard,

Clean-Up Flushing Bay and Implement the Army Core of Engineers Recommendations,

Expand the Capacity of the Jackson Heights Library

Corona Library Construct a Library north of Northern Blvd. Affordable Housing - Reconstruct/Repair
Sewers to Alleviate Backups and Flooding Construct an Intergenerational Facility in Jackson
Heights Increase Youth Programs Increase Senior Programs Expand Medical Services at the
Corona Health Center Increase Police Personnel at the 115th Precinct. Conduct a Commercial
District Needs Assessment Construct a Performance Arts Center

Increase the Capacity of Elmhurst Hospital.

4. TOP THREE PRESSING ISSUES OVERALL

Queens Community Board 3

The three most pressing issues facing this Community Board are:

Crime and Public Safety

Operation Restore Roosevelt Avenue

We thank Governor Hochul, Mayor Adams, elected officials and the 115th Precinct for responding to our calls last year and putting in place Operation Restore Roosevelt Avenue. Both City and State agencies worked together to address all the issues found on Roosevelt Avenue. We saw a significant difference, the task force was in place for 90 days and they did an excellent job. We believe that the operation would be most effective by keeping our local precincts in place to address quality of life issues within their precincts, create a substation on Roosevelt Avenue for Operation Restore where the task force would address sex working, illegal vending, gang activity and brothels and unlicensed massage parlors.

Improve Lighting on Roosevelt Avenue -

related to the issues on Roosevelt Avenue, is poor lighting. It is far too dark and unsafe for residents, patrons, and businesses to access the streets after dusk. Improved lighting is urgently needed. Replace the lighting located underneath the # 7 elevated tracks. Well lit streets will make subway users and anyone accessing the avenue feel safer.

Health care services

Increase the Capacity and the Number of Public Health Facilities In Community Board 3 Jackson Heights and Elmhurst was the epicenter during the pandemic. Elmhurst Hospital nurses and doctors did a herculean job in saving the lives of Covid-19 victims. Elmhurst Hospital reports that in the last 7 years the emergency department volumes have increased by 33%. Patient wait time has considerably increased. Expanding the facility would be beneficial and positively enhance service delivery. Additional hospital beds and the expansion of the emergency room are sorely needed. Elmhurst Hospital is the only medical facility in our immediate area. Four hospitals closed their doors over twenty years, Elmhurst Hospital is now accommodating many of the patients that used to go to those closed facilities. While Urgent Care facilities are opening around the board area and borough, it does not diminish the fact that more hospitals and the services that they provide are still needed. To enhance the Elmhurst Hospital's capabilities the following needs are requested: E6 Med-Surge Renovation- This project will involve the conversion of current administrative space into a Med-Surge unit to house critically ill patients and patients recovering from surgical procedures. Purchase of Surgical Laser - Acquiring surgical laser will allow our ENT physicians to perform minimally invasive, highly precise surgeries for a wide range of treatments for diseases of ear/nose/throat. Purchase of Additional da Vinci Surgical Robot - da Vinci robotic surgery technology will allow Elmhurst to perform additional robotic surgeries. Robotic surgeries using the da Vinci system enable faster recovery time for patients. Other benefits include reduced pain, less blood loss, reduced risk of infection or complications and less scarring. Remodel In-patient Units 3rd Floor and 6th Floor. Elmhurst Hospital would like to add additional new furniture and amenities to inpatient units on floors 3 and 6 of its main building. The aforementioned modifications and additional services will help to better serve the community.

Affordable Housing

Affordable Housing While there is housing construction all over the district, very few of the developments are intended for low to middle-income families. These past three years have had a devastating impact on our district particularly as it relates to affordable housing. Long before the pandemic there was a shortage of affordable housing crisis . Illegal unsafe conversions and residents doubling and tripling up in apartments have increased. It is because residents cannot afford the high rents. By the same token some landlords have not received their rent in some cases for several years. To add to the mix, some unscrupulous landlords are forcing poor families out of their apartments. These residents have fixed incomes and cannot afford high rents. Many of these residents are seniors and disabled individuals who are part of the impacted group. The housing court really tells the story; in that there is a disproportionate number of minority low-income and at-risk individuals who fall victim to the situation. Many of these tenants cannot afford an attorney and end up losing their homes. The New York Furman Center reports that Queens Community Board 3 ranks number 2 for rent-burdened households and 3rd highest for severe crowding of rental units citywide. According to the report, more than 53.3% of our population pay 35% or more of their income for rent. In addition, 25.5% of our residents live below the poverty level and for some permanent housing is not a given. The pandemic exacerbated the problem, for many families each month is a struggle, they must make the difficult decision as to whether to pay the rent or forgo other essential needs. Every month, they are at risk of being evicted and homeless. Affordable housing is one of our top concerns. We believe that housing is a right and a fundamental need that must be addressed. We, therefore, call upon the City of New York to do more to keep our most vulnerable populations in their homes. Put systems in place to encourage private developers to construct affordable housing. Set a plan to encourage landlords to remain in the rent stabilization program. Develop incentives to attract new property owners to participate in rent stabilization. While the rent moratorium is no longer in place for most people, the city must do all it can to protect our at risk population until they are able to get on their feet. The city should continue to advocate for more federal dollars and programs that will help to keep a roof over the heads of our most vulnerable.

5. SUMMARY OF COMMUNITY DISTRICT NEEDS AND BUDGET REQUESTS

HEALTHCARE AND HUMAN SERVICES

Queens Community Board 3

Most Important Issue Related to Healthcare and Human Services

Health facilities

Health Facilities

Our existing facility Elmhurst Hospital is operating at full capacity. The doctors and nurses did a phenomenal job during covid-19 ,

Elmhurst Hospital is a 545-bed city hospital that serves as a safety-net institution for a largely working-class immigrant population. The novel coronavirus quickly spread through this vulnerable community, and the hospital was operating at more than 100% capacity. In an effort to free up precious beds, dozens of non-Covid-related cases are being transferred to other facilities. Inpatient wards are overwhelmed with those who, under different circumstances, would belong in intensive care units. This was the epicenter within the epicenter, of the Covid-19 crisis in New York City. Community Board 3 continues to advocate for additional medical facilities in our district as Elmhurst Hospital is the only medical facility located within the confines of our district. We need more hospital beds, Elmhurst Hospital is the City hospital in the immediate area and serves not only community boards 3 and 4 but 1, 2, 6 and 7. We ask that serious consideration be given to our request.

Community District Needs Related to Healthcare and Human Services

Needs for Health Care and Facilities

Health Care and Facilities

As per the Department of Health, community health profiles indicate that 38% of adults that reside in Community Board 3 do not have health insurance. We have the highest rate within the city. That is why the Corona Health Center's services must be enhanced. Upgrade and expand services at the Corona Health Center. The majority of the residents in the catchment area of the center are either under or uninsured and in dire need of medical assistance. Reinstate the dental clinic and expand services to include primary care, and free screenings for eye, ear, sickle cell anemia, asthma, diabetes, cholesterol, prostate, and breast cancer. Promote education and awareness on nutrition, smoking cessation, mental health, and treatment. A full-service clinic is urgently needed in North Corona. Constituents residing in this section of the district do not have the means to travel to the health center that is located in Brooklyn; it is the only city-operated facility that is offering these critical services. Increase Hospital Beds at Elmhurst Hospital and Borough-Wide Since 2008, five hospitals have closed in the Borough of Queens. Our area hospital is feeling the impact. Elmhurst Hospital is now accommodating many of the patients who used to go to the now-closed hospitals. Elmhurst Hospital reports that in the last 7 years the emergency department volumes have gone up 33% which is very significant. Patient wait time has considerably increased. Additional hospital beds and an expansion of the emergency room are sorely needed. Although Urgent Care facilities are opening around the board area and borough, it does not diminish the fact that more hospitals and the services they provide are still needed.

Needs for Older NYs

Senior Services The senior residents of our district make up nearly 10% of our population. In addition to home care, escort services, transportation and mental health services, seniors need assistance with legal and benefit services. Funding levels for DFTA and related agencies that provide these critical services must be increased.

Needs for Homeless

Services for the unhoused must be substantially improved. Essential services must be provided such as permanent housing, employment, training, and financial assistance to ensure success.

Plans must be developed to ensure long term, permanent solutions should as subsidized rent until the client gets on their feet , monitor cases for a minimum three years. Help them to not only keep their living facility but provide opportunities to go to the next level to purchase a home or condo.

Needs for Low Income NYs

Low income New Yorkers need every resource that is available from addressing food insecurities, housing , child care , assistance with utility bills, health and life insurance and career development.

HEALTHCARE AND HUMAN SERVICES

Note: Please see Section 7 for the full content of each request. Requests are prioritized by agency.

CAPITAL BUDGET REQUESTS

Agency	Priority	Title
HHC	1 / 2	Provide a new or expanded health care facility
HHC	2 / 2	Staffing

EXPENSE BUDGET REQUESTS

Agency	Priority	Title
DFTA	1 / 1	Enhance NORC programs and health services
DOHMH	1 / 2	Other programs to address public health issues requests
DOHMH	2 / 2	Increase health and safety inspections, e.g. for restaurants and childcare programs
HHC	1 / 5	MRI Equipment
HHC	2 / 5	New MRI Scanner
HHC	3 / 5	Adult Behavioral Health Space
HHC	4 / 5	Nuclear Medicine
HHC	5 / 5	Lobby Renovation

YOUTH, EDUCATION AND CHILD WELFARE

Queens Community Board 3

Most Important Issue Related to Youth, Education and Child Welfare

Youth workforce development and summer youth employment

Youth Work Force Development/ Summer Youth Employment

Summer youth programs are essential for the development of our young people. These annual experiences help to develop character, expand the young person's horizons, and

explore career paths. Participation in summer youth programs foster safe/ positive environments where independence and responsibility can be developed. It is crucial that funding be made available for this important work.

Community District Needs Related to Youth, Education and Child Welfare

Needs for Youth Education

Community Board3's highest priority is to provide a first-class education for our children. Before Covid-19 districts 24 and 30 had the highest incidence of overcrowding in our neighborhood schools. Both districts report that currently there has been less overcrowding since the pandemic . We expect that students will return to school. We hope to be ready to receive them by ensuring that every student will have a seat and the necessary tools for their success Education remains our top priority.

Needs for Youth and Child Welfare

Affordable Child Care Affordable child care services are vital to working families. Parents who have children under the age of four rely on these hard to find services. In order to support our moderate income families; fully fund and open up additional day care facilities.

YOUTH, EDUCATION AND CHILD WELFARE

Note: Please see Section 7 for the full content of each request. Requests are prioritized by agency.

CAPITAL BUDGET REQUESTS

Agency	Priority	Title
DOE	3 / 3	Upgrade Bathrooms
SCA	2 / 2	Provide a new or expand an existing elementary school

EXPENSE BUDGET REQUESTS

Agency	Priority	Title
DOE	1 / 2	Provide, expand, or enhance funding for Child Care and Head Start programs
DOE	2 / 2	Other educational programs requests
DYCD	1 / 1	Other youth workforce development requests

PUBLIC SAFETY AND EMERGENCY SERVICES

Queens Community Board 3

Most Important Issue Related to Public Safety and Emergency Services

Crime prevention programs

Community District Needs Related to Public Safety and Emergency Services

Needs for Public Safety

Police Department Community Board 3 continues to support the Roosevelt Avenue Task Force. Keep the Roosevelt Avenue Task Force and Impact Zone initiatives in place. Our local precinct is doing an outstanding job but could benefit from increased personnel and resources. Hire civilians to cover administrative duties so that police officers can be freed up to address crime and quality of life complaints. School Crossing Guards. Hire additional school crossing guards to cover all of our area schools. The NCO program was recently implemented in Community Board 3. We see the program's value and its potential to significantly impact the quality of life of our residents. That is why we support the proposal to have additional NCO personnel so there will be coverage for 24 hours/seven days per week. We hope that serious consideration is given to our request.

Needs for Emergency Services

Fund FDNY's Smoke and Carbon Monoxide Detectors Distribution Program Community Board 3 supports this life saving program.

Further outreach is needed to discourage the storage of e-bike

lithium batteries in apartments and garages. Many of our recent fires have been caused due to this reason.

PUBLIC SAFETY AND EMERGENCY SERVICES

Note: Please see Section 7 for the full content of each request. Requests are prioritized by agency.

CAPITAL BUDGET REQUESTS

Agency	Priority	Title
FDNY	1 / 5	Rehabilitate or renovate existing fire houses or EMS stations
FDNY	2 / 5	Provide new emergency vehicles, such as fire trucks or ambulances
FDNY	3 / 5	Other FDNY facilities and equipment requests
FDNY	4 / 5	Provide new facilities such as a firehouse or EMS station
FDNY	5 / 5	Provide new emergency vehicles, such as fire trucks or ambulances

EXPENSE BUDGET REQUESTS

Agency	Priority	Title
NYPD	1 / 2	Hire additional uniformed officers
NYPD	2 / 2	Hire additional traffic enforcement agents

CORE INFRASTRUCTURE, CITY SERVICES AND RESILIENCY

Queens Community Board 3

Most Important Issue Related to Core Infrastructure, City Services and Resiliency

Air quality and pollution

Air Pollution Monitors

CB3 is surrounded by LaGuardia Airport, BQE and Grand Central Parkway. Our residents are concerned about the impact of fumes emitting from motor vehicles and planes in the community. There is a high incidence of asthma & respiratory disease in our district. The need to install air monitors in our area is clear.

Community District Needs Related to Core Infrastructure, City Services and Resiliency

Needs for Water, Sewers, and Environmental Protection

Provide Funding for The Installation of a Dedicated Sewer System and Implement the Army Corp of Engineers Recommendations

For decades residents have complained about the flooding that occurs whenever there is heavy rainfall. It was thought that these storms used to occur once in a hundred years. However, due to climate change, the incidence of flooding and sewer backups have become more frequent. We call upon the City of New York to invest in upgrading our combined sewer to a dedicated system. In light of the devastation that the City of New York has experienced with Hurricane Ida, it would be wise to provide funding to construct a dedicated sewer system, for doing so, will help to reduce the possibility of any further loss. We ask DEP to give serious consideration to our request.

Needs for Sanitation Services

Increase Litter Basket Collections Along Our Commercial Strips In order to improve the level of cleanliness throughout the district, increase litter basket collection to three times per day. Urgent attention is needed along 37th Ave.; Junction Blvd.; Roosevelt Ave.; Northern Blvd.; 103rd St. and 74th Streets; Astoria Blvd, 73rd Street and 72nd Street in Jackson Heights. Providing these additional services will have a positive impact on the affected businesses and overall community.

CORE INFRASTRUCTURE, CITY SERVICES AND RESILIENCY

DSNY	5 / 5	Increase enforcement of illegal posting laws

HOUSING, ECONOMIC DEVELOPMENT AND LAND USE

Queens Community Board 3

Most Important Issue Related to Housing, Economic Development and Land Use

Affordable housing creation

Affordable Housing and Homelessness Across the city, the incidence of homelessness has increased and is climbing because of the lack of affordable housing. In our district, affordable housing is one of our top concerns because there are few affordable housing units. According to the Furman report more than 53.3% of our population pay 35% or more of their income for rent. In addition, 25.5% of our residents live below the poverty level. For many of these families, it is a struggle each month. They have to make the difficult decision as to whether to pay the rent or forgo other essential needs. They are always at risk for eviction and homelessness. Our housing courts tell the story; there is a disproportionate number of minority, low income and at risk individuals in housing court. Many cannot afford an attorney and end up losing their homes. We are in a housing crisis, fewer affordable units are being developed and the focus now is to build luxury market rate apartments that cater to wealthier clientele. While there is housing construction all over the district none of the developments are intended for low to middle income families. To add to the mix, some unscrupulous landlords are forcing out families that are poor, have fixed incomes, those who cannot afford the higher rents, many seniors and disabled individuals have been impacted. Further, some of the participating property owners are opting out of the rent stabilization program. Community Board 3 therefore calls upon the City of New York to put systems in place to encourage the development of affordable housing. More has to be done, set a plan of action to encourage landlords to remain in the rent stabilization program. Develop incentives to attract new property owners to participate in rent stabilization. We critically need more affordable housing and ask that urgent attention be given to this important issue.

Community District Needs Related to Housing, Economic Development and Land Use

Needs for Land Use

: Increase staffing levels for Administrative & Community Outreach Units. Additional administrative and community personnel is needed to improve the agency's ability to disseminate information and work with property owners.

Needs for Housing

Construct Affordable Housing for Middle, Low Income Families and Seniors Around the district new buildings are going up, but nearly none of are affordable. A recent survey reported that "49 % of Queens residents shell out as much as 48% of their income on housing." In CB3, the average rental rate for apartments is approximately \$1600 a month for one bedroom, which is far out of range for most working families. Young people who were born and raised in our community and seniors on fixed incomes cannot afford to live in the District. There is a urgent need for mid-low income housing facilities. We have noted that in order to pay expensive rents families are doubling and tripling up in apartments and houses. We need affordable housing that will fit in and support the needs of the existing community. Strategies and programs must be developed to stimulate the production of affordable housing facilities. Employ programs such as No property taxes for 5 years to encourage the development of affordable housing.

HOUSING, ECONOMIC DEVELOPMENT AND LAND USE

SBS	2 / 2	Other business regulatory assistance requests

Queens Community Board 3

Most Important Issue Related to Transportation and Mobility

Parking operations

Revisit, Review Recent Traffic Modifications.

DOT has implemented several initiatives within QCB3 that businesses have requested review. Modifications on Northern Boulevard, 34th Avenue, and Roosevelt Avenue has resulted in the loss of parking spaces. Establishments complain that due to limited parking fewer customers are patronizing their businesses. Customers are opting to go to Long Island and locations where there is onsite parking. Some of these traffic changes have seriously impacted our small businesses' bottom line. A few suggestions are to remove unused outdoor seating structures and install parking meters. We call upon the agency to look into these concerns. Speak with the area entrepreneurs to get a better understanding of the impacts these changes have made on their businesses.

Community District Needs Related to Transportation and Mobility

Needs for Traffic and Transportation Infrastructure

- Due to the large number of young children, senior citizens, parents with strollers, and individuals with mobility challenges (including those using walkers or wheelchairs), many residents struggle to access train platforms. There is an urgent need to install elevators at the D and F lines. While some stations got or are slated to get accessibility improvements, the 18th and McDonald Avenue stations are key transfer points to several bus lines and remain inaccessible. Additionally, the 50th and 55th Street stations on New Utrecht Avenue on the D line, which is the closest subway stop to Maimonides Medical Center—a major trauma center and one of New York State's busiest birth centers—also requires accessibility upgrades. We urge NYCTA to prioritize these stations for accessibility improvements. These requests have been made for some time, and despite announcements of increased accessibility at other stations, these particular locations remain underserved. Governor Hochul's recent statements on expanding accessible stations are encouraging, but adding these critical locations to the list would greatly alleviate the accessibility challenges faced by our residents. These concerns have been shared with all relevant government agencies advocating for the necessary improvements.

Needs for Traffic and Transportation Infrastructure

Upgrade street lights located along Roosevelt Avenue from 72nd to 114th Streets. The recently installed streetlights are directed towards the street leaving the sidewalks very dark. Residents including NYPD are concerned about the unsafe conditions that could be caused due to poor or no lighting on the sidewalks. The illumination of the street lights are blocked by the elevated number 7 subway line. Enhance street lighting by installing pedestrian lights on Roosevelt Avenue at the aforementioned locations as expeditiously as possible.

Needs for Transit Services

MTA Queens Bus Redesign

Queens Community Board3 participated in the review of the MTA Bus Redesign proposal

We would like to see the final design and modifications before the MTA adopts the planned changes. Our residents rely on public transportation and it is important that the MTA's plans improves services for our district.

TRANSPORTATION AND MOBILITY

Note: Please see Section 7 for the full content of each request. Requests are prioritized by agency.

PARKS, CULTURAL AND OTHER COMMUNITY FACILITIES

Queens Community Board 3

Most Important Issue Related to Parks, Cultural and Other Community Facilities

Other - Write In (Required)

Park Care and Street Tree Maintenance

While our parks management does a great job with the resources that are available; we continue to advocate for additional funding for increased services and upgrades. Below are only a few of our Parks and Forestry related priorities:

Increase rodent abatement services in area parks

Reconstruct and Restore lavatory facilities at North Playground, and near the World's Fair Marina Banquet.

Increase the budget to hire additional personnel, parks associates, life guards and PEP officers.

Travers Park- Improve lighting

Provide Wi-Fi in all area parks

Staunton Field Tennis Courts- resurface tennis courts to professional grade

Landing Lights A Ballfield and Adjacent Dog Park- Make necessary repairs to ballfield and beautify dog park by adding seating and reseeding the grass.

Increase funding for the maintenance of street trees and raised sidewalks.

The aforementioned priorities are very important to our community and require restating.

Community District Needs Related to Parks, Cultural and Other Community Facilities

Needs for Parks

Open Space/Recreational Facilities and Programs Our community needs and deserves more park space. It is well documented that CB3.Queens comes in second citywide as to having the least amount of park space. PlanNYC indicates that Community Board3's open space is at .04 acres per 1000 residents, particularly in Jackson Heights. Combining the acreage of our athletic fields, courts, passive open spaces and community gardens totals .16 per 1000 resident. CB3 is woefully below the open space requirements set by NYC Neighborhood Standards. We are committed to finding creative ways in which to increase public spaces and recreational programming within our district. We have supported expanding our public space by converting local streets into temporary playstreets/plazas and purchased private property to enlarge a local park, i.e. 78th Street Playstreet, Diversity Plaza and Rory Staunton Field. While we are grateful for what has been accomplished thus far additional park space is sorely needed. We ask that funding be provided so that new sites can be identified and developed.

Needs for Cultural Services

Louis Armstrong House Museum- Education Visitor Center The Louis Armstrong House Museum is a National Historic Landmark and a New York City landmark. It is the only landmark located within the confines of Community Board3 LAMH is located in the heart of North Corona. It is reported that the museum hosts over 12,500 visitors each year. The Visitor's Center is in its final stages of

development. The new addition will allow the institution to accommodate more visitors; large groups, provide housing for the storage of the Louis Armstrong Archives, and expand programming to include concerts and forums. The current space is too small to conduct the aforementioned activities. Community Board 3 fully supports this project. We request that the construction of the n Visitor's Center be fully funded; that work commences expeditiously and opened before the close of 2023.

Needs for Library Services

Library Services

Community Board 3 has four libraries and all are well utilized. The Center for Urban Future indicates that visitors to the Jackson Heights branch exceeded 445,970, North Corona 240,466., Langston Hughes 168,849, and East Elmhurst 66,595. Our residents both adults and children rely on our local libraries for employment information, cultural and educational programs, and general access to the internet. Libraries have always been one of our top priorities. We are pleased to see that our local facilities will be opened six days a week. We now look forward to the advancement of the following projects: Movement on the expansion of the Jackson Heights Library has started. The Jackson Heights facility is the most heavily utilized branch in North West Queens.

Residents are requesting that a library be constructed for neighborhood located north of Northern Boulevard. Constituents complain that they would use library services more frequently if there were a facility closer to their neighborhood. We ask that the QPL System seriously consider our requests and move the constructing a facility north of Northern Boulevard and expand the Corona Library.

Needs for Community Boards

Increase Funding Levels for Community Boards Provide Community Boards with Access to 311 Data Specific to Each Board Area . Explanation: Community Boards are understaffed, and underfunded and have always worked with less even during times of prosperity. An increase in funding levels for Community Boards would be in order. In addition, the advent of Hurricane Sandy and Irene underscored the need for improved communications with 311. We need the ability to retrieve information from the 311 databases in order to analyze conditions that impact our community. Community Boards are now required to Live Stream meetings as per the Comptroller's Office. We do not have the financial wherewithal to pay for consultant fees or equipment. In order for community boards to meet the mandate additional funding must be allocated.

PARKS, CULTURAL AND OTHER COMMUNITY FACILITIES

7. SUMMARY OF PRIORITIZED BUDGET REQUESTS

CAPITAL BUDGET REQUESTS

1 of 3 Other cultural facilities and resources requests

DCLA

Other cultural facilities and resources requests

Construct a Community Performance Arts Center in Jackson Heights that will accommodate seating for 300. The new facility would host local and international artists and could be the home of the Jackson Heights Orchester.

Agency Response: Agency supports but cannot accommodate. More information is required by DCLA to consider this request, specifically each request must be tied to one specific eligible cultural organization and mention a specific project.

2 of 3 Accessible Play Equipment

DCLA

Purchase equipment for cultural facility

Inclusive/accessible play equipment across the parks. Example, sensory element for the disabled.

Agency Response: Agency does not support and cannot accommodate. This request is for the Parks department.

3 of 3 Helen Marshall Park

DCLA

Renovate or upgrade an existing cultural facility

Maintenance at Helen Marshall Park i.e. resurfacing the basketball court.

Agency Response: Agency does not support and cannot accommodate. This request is for the Parks department.

1 of 3 Other capital budget request for DEP

DEP

Other capital budget request for DEP

Convert our existing combined sewer system to dedicated service. The incidence of flooding has increased over the past decade. Immediate attention must be given to this issue.

Agency Response: Agency does not support and cannot accommodate. PLEASE CONTACT THE AGENCY DIRECTLY AND PROMPTLY FOR MORE INFORMATION.

2 of 3 Other capital budget request for DEP

DEP

Other capital budget request for DEP

Request: Dredge Flushing Bay to reduce odor and improve water flow. Explanation: Construct additional holding tanks in Flushing Bay in order to reduce the amount of waste being released into the bay. It is time for the recommendations that the Army Corp of Engineers suggested be implemented.

Agency Response: Agency does not support and cannot accommodate. PLEASE CONTACT THE AGENCY DIRECTLY AND PROMPTLY FOR MORE INFORMATION.

3 of 3 Other capital budget request for DEP

DEP

Other capital budget request for DEP

Employ interim measures to control floatables going into Flushing Bay and restore the wetlands

Agency Response: Agency does not support and cannot accommodate. PLEASE CONTACT THE AGENCY DIRECTLY AND PROMPTLY FOR MORE INFORMATION.

1 of 3 Air Conditioning & Electrical Units**DOE**

Other capital request for DOE

New Air Conditioning Units and Electrical work for to be placed in offices at the Louis Armstrong School.. Although the Mayor's Office had placed air conditioners in all classrooms, they did not allow for repairs or replacements when they break down. Many air conditioners have broken down and need repair. IS 227 is a 4 story building, the top floors are without air conditioning have exceeded 100 degrees on hot days. In addition, our School Counselors, Social Workers and Nurses Office desperately need air conditioning to serve their students. These offices may need electrical work to be compatible with new air conditioners.

Agency Response: This request has already been completed. Classrooms already completed: 450, 423-R, 421-L, 417-L, 323-R, 318-R, 213A, 213B, 250 KCL-28A30A, 250 CCW-12B10B, 213A, & 213B. Rooms listed ac work completed. Rooms that needed not done 149 A and B both nurse's office...no electric 232 B...has electric 234 A and B...no electric 328 A and B...no electric 330 A and B...no electric 332...no electric 428 B...no electric 430 A...has electric

2 of 3 New Elevator**DOE**

Other capital request for DOE

A new elevator is requested to accommodate students with vision and mobility needs. The existing elevator has been in place since the opening of the school doors in 1979. It constantly breaks down leaving students to be relocated to the first floor and losing out on their rightful education. The wait for parts for this outdated elevator has taken months at a time. The urgently needs replacement.

Agency Response: This request has already been completed. In 2024, the requested school, Q227, undertook several elevator-related improvements, including a piston replacement project, installation of Door Lock Monitoring (DLM), and replacement of the elevator car door edge. All has been completed.

3 of 3 Upgrade Bathrooms**DOE**

Other capital budget request for DOE

Most bathrooms are in their original state when the building was opened in 1979. The floor tiles and fixtures desperately need replacement

Agency Response: Agency supports but cannot accommodate. FUNDING NOT AVAILABLE.

1 of 10 Repair or provide new street lights**DOT**

Repair or provide new street lights

Improve street lighting on 73rd Street between 37th Avenue and Broadway. For safety reasons, proper lighting is a must.

Agency Response: Agency does not support but can address the need alternatively. Lighting requests can be put into the agency webform: <https://www.nyc.gov/html/dot/html/contact/contact-form.shtml>

2 of 10 Other transportation infrastructure requests**DOT**

Other transportation infrastructure requests

Location: 114th Street - 114th Street and Northern Blvd. & 114th Street and Northern Blvd.

A study of the exit at 114th Street and Northern Boulevard is warranted. The reduction of traffic lanes have had a significant impact causing increased congestion.

Agency Response: Agency supports and can accommodate. DOT will continue to monitor conditions at this location.

3 of 10 Traffic Study**DOT**

Improve traffic and pedestrian safety, including traffic calming

Location: 114th Street & Astoria Blvd.
Provide funding for a traffic study of the entrance at 114th Street and Astoria Blvd. It is important to determine whether the recent changes to our major thoroughfare have had an impact.

Agency Response: Agency supports and can accommodate. DOT will continue to monitor conditions at this location.

4 of 10 Repair or build new step streets**DOT**

Repair or build new step streets

Location: 25 Avenue and Butler Street
Redesign Step Street at Butler/Ditmars Blvd. and 25th Ave. Explanation: The 25th Ave step street could use a face-lift, which would entail improved lighting, seating areas, pruning and planting of additional greenery. The proposed enhancements would attract more users of this important public space.

Agency Response: Agency does not support but can address the need alternatively. DOT maintains the step street in question and repairs will continue to be done using in-house resources.

5 of 10 Repair or provide new street lights**DOT**

Repair or provide new street lights

Increase safety by installing street lights from Junction Boulevard and Roosevelt Ave

*Agency Response: Agency does not support but can address the need alternatively. Street lighting requests can be requested through the agency webform:
<https://www.nyc.gov/html/dot/html/contact/contact-form.shtml>*

6 of 10 Traffic Conditions**DOT**

Improve traffic and pedestrian safety, including traffic calming

Location: 75th Street - 78th Street & 31st Ave
Re-evaluate traffic conditions along 75th to 78th Streets and 31st Ave.

*Agency Response: Agency does not support and cannot accommodate. This is not a budget request. Please log in the agency webform:
<https://www.nyc.gov/html/dot/html/contact/contact-form.shtml>*

7 of 10 Repair or construct sidewalks, curbs, or pedestrian ramps**DOT**

Repair or construct sidewalks, curbs, or pedestrian ramps

Request: Provide funding for curb repair. Explanation: While the property owner is responsible for the repair of sidewalks and encouraged to replace curbs, all too often, violations go unaddressed because of financial difficulties or neglect. Unsafe conditions are left to the city to be corrected. It is therefore important that funding to hire more outside contractors to perform sidewalk and curb repairs be increase.

Agency Response: Agency supports but cannot accommodate. Sidewalks are the responsibility of the adjacent property owner. For curb repair, please submit specific locations to the Borough Commissioner for review. For Pedestrian Ramps, the Adopted Budget includes a Citywide allocation. Specific locations are determined by DOT.

8 of 10 Other traffic improvement requests**DOT**

Other traffic improvement requests

Replace sidewalks at Landing Lights A.

*Agency Response: Agency supports but cannot accommodate. Sidewalks are the responsibility of the adjacent property owner as per NYC Admin Code.***9 of 10 New Greenery****DOT**

Upgrade or create new greenways

Location: Northern Blvd.
Beautify all center malls including the Bioswales i.e. weeds on Northern Blvd.

*Agency Response: Agency supports but cannot accommodate. Bioswales are a DEP program. Weed clearance is handled by DSNY.***10 of 10 Sprinklers****DOT**

Other capital budget request for DOT

Install sprinkles on the 34th Ave./ median/mall to preserve trees and shrubs.

*Agency Response: Agency does not support and cannot accommodate. DOT does not maintain sprinkler systems.***1 of 18 Reconstruct or upgrade a park or amenity (i.e. playground, outdoor athletic field)****DPR**

Reconstruct or upgrade a park or amenity (i.e. playground, outdoor athletic field)

Redesign and Renovate 90th Street Playground. This heavily utilized playground is due for an upgrade from play equipment to the installation of exercise equipment.

*Agency Response: Agency supports but cannot accommodate. Parks understands and supports this request but does not have capital funding allocated for this project. The CB can advocate its elected official for capital funding.***2 of 18 Improve access to a park or amenity (i.e. playground, outdoor athletic field)****DPR**

Improve access to a park or amenity (i.e. playground, outdoor athletic field)

Improve access to the Promenade. Make essential repairs to the perimeter fencing, and replace defective pavers including railing/fencing at flushing Bay Promenade due to overgrown tree roots. If not addressed, the condition could prove to be hazardous to park users.

*Agency Response: Agency supports but cannot accommodate. Parks understands and supports this request but does not have capital funding allocated for this project. The CB can advocate to elected officials for capital funding.***3 of 18 Provide a new or expanded park or amenity (i.e. playground, outdoor athletic field)****DPR**

Provide a new or expanded park or amenity (i.e. playground, outdoor athletic field)

Location: 94 Street and Ditmars Boulevard
Develop unused property fronting the entrance to the GCP and 94th Street for a dog park/sitting area. There is no facility in the immediate area.
Explanation: Residents in this area would like to have a dog park developed on the unused property fronting the entrance to the Grand Central Parkway and 94th street. There is no facility in the immediate area.

Agency Response: Agency does not support and cannot accommodate. In order to develop a dog park, there needs to be a dedicated formalized group through Partnerships for Parks who will maintain the dog park on a daily basis. The CB should reach out to the Queens Parks office if they are aware of folks who are interested in formalizing a group.

4 of 18 Provide a new or expanded park or amenity (i.e. playground, outdoor athletic field)**DPR**

Provide a new or expanded park or amenity (i.e. playground, outdoor athletic field)

Upgrade and Expand Veterans Memorial Park. Upgrade the sitting area, make the space conducive for use by adults and children.

Agency Response: Agency supports but cannot accommodate. Parks does not have capital funding allocated for this project. The CB can advocate to its elected officials for capital funding.

5 of 18 Reconstruct or upgrade a park or amenity (i.e. playground, outdoor athletic field)**DPR**

Reconstruct or upgrade a park or amenity (i.e. playground, outdoor athletic field)

Restore bathrooms near the marina restaurant located on the Malcolm X Promenade. Construct additional facilities along the promenade.

Agency Response: Agency supports but cannot accommodate. Parks does not have capital funding to build public restrooms on Malcolm X Promenade. The CB can advocate its elected officials for capital funding.

6 of 18 Reconstruct or upgrade a park or amenity (i.e. playground, outdoor athletic field)**DPR**

Reconstruct or upgrade a park or amenity (i.e. playground, outdoor athletic field)

Upgrade Gorman Playground, Phase 2 (Multiple purpose area, basketball, and volleyball courts). Maintenance is needed and a gate at the handball court.

Agency Response: Agency supports but cannot accommodate. Parks understands and supports this request but does not have capital funding allocated for this project. The CB can advocate its elected officials for capital funding.

7 of 18 Improve access to a park or amenity (i.e. playground, outdoor athletic field)**DPR**

Improve access to a park or amenity (i.e. playground, outdoor athletic field)

Rehab ramp and railings underneath the Marina

Agency Response: Agency supports but cannot accommodate. Parks is assuming the CB means the ramp to the public boat launch. Parks supports this request but does not have capital funding allocated for this project. The CB can advocate to elected officials for capital funding.

8 of 18 Upgrade Northern Playground**DPR**

New equipment for maintenance

Upgrade Northern Playground, Phase 2 (Multiple purpose area, basketball and volleyball courts). (Including play equipment, restrooms, sitting area). Make it more colorful. Maintenance is also needed and a gate at the handball court.

Agency Response: Agency supports but cannot accommodate. Parks does have a capital project in design for the basketball court but does not have capital funding allocated for the play equipment. The CB can advocate for capital funding from its elected officials.

9 of 18 Enhance park safety through design interventions, e.g. better lighting**DPR**

Enhance park safety through design interventions, e.g. better lighting

Improve overall lighting of the Promenade and replace decorative pavers.

Agency Response: Agency supports but cannot accommodate. Parks supports this request but does not have capital funding allocated for this project. The CB can advocate for capital funding from its elected officials.

10 of 18 Improve access to a park or amenity (i.e. playground, outdoor athletic field) Improve access to a park or amenity (i.e. playground, outdoor athletic field)	DPR
Install exercise equipment chinup bars etc. adjacent to the men's room. Upgrade the multipurpose area of Gorman Park.	<i>Agency Response: Agency supports but cannot accommodate. Parks does not have capital funding allocated for this project. The CB can advocate for capital funding from its elected officials.</i>
11 of 18 Improve access to a park or amenity (i.e. playground, outdoor athletic field) Improve access to a park or amenity (i.e. playground, outdoor athletic field)	DPR
Upgrade Louis Armstrong Playground at P.S 143 (Including Spray Shower).	<i>Agency Response: Agency supports and can accommodate. There is capital funding for this project, which is in design.</i>
12 of 18 Improve access to a park or amenity (i.e. playground, outdoor athletic field) Improve access to a park or amenity (i.e. playground, outdoor athletic field)	DPR
Upgrade Private William Gray Park (98 St. between Northern Blvd. & 32nd Ave) play equipment, plantings and replace benches.	<i>Agency Response: Agency supports but cannot accommodate. Parks does not have capital funding allocated for this project. The CB can advocate for capital funding from its elected officials.</i>
13 of 18 Reconstruct Restroom Improve access to a building in a park	DPR
Reconstruct restrooms in Northern Playground.	<i>Agency Response: Agency supports but cannot accommodate. Parks supports this request but does not have capital funding allocated for this project. The CB can advocate for capital funding from its elected officials.</i>
14 of 18 Reconstruct Restroom Other requests for park, building, or access improvements	DPR
Reconstruct Restrooms at I.S 227 School	<i>Agency Response: Agency does not support and cannot accommodate. PLEASE CONTACT THE AGENCY DIRECTLY AND PROMPTLY FOR MORE INFORMATION.</i>
15 of 18 Resurface Improve access to a park or amenity (i.e. playground, outdoor athletic field)	DPR
Location: 78th Street & 34th Ave Staunton Field Tennis Courts - Resurface tennis courts to professional grade.	<i>Agency Response: Agency supports but cannot accommodate. Parks recently refurbished the courts with new seal coat. Parks does not have capital funding allocated for this project.</i>

16 of 18 Lighting**DPR**

New equipment for maintenance

Improve Lighting at Travers Park

Agency Response: Agency supports but cannot accommodate. Parks supports this request but does not have capital funding allocated for this project. The CB can advocate for capital funding from the elected officials.

17 of 18 Renovation**DPR**

Improve access to a park or amenity (i.e. playground, outdoor athletic field)

Landing Lights A: Renovate ballfield

Agency Response: Agency supports and can accommodate. Parks is planning to do an in-house transformation of the field at Landing Lights from baseball, which is not used, to soccer. The CB requested that Parks present the plan to the Parks Committee, which is happening on 12/16. Once the CB reviews, Parks hopes to move forward with the plan to upgrade the field.

18 of 18 Renovation**DPR**

New equipment for maintenance

Location: 25th Ave & 79th Street

Landing Light A: Renovate Dog Park, add benches and reseed grass.

Agency Response: Agency does not support and cannot accommodate. Parks will consider supporting the updating of the dog run IF there is a dedicated dog run group, who will do the daily maintenance and oversight required of a dog run. The CB can reach out to the Queens Parks office if they are aware of a group that it's interested in maintaining the dog run.

1 of 5 Rehabilitate or renovate existing fire houses or EMS stations**FDNY**

Rehabilitate or renovate existing fire houses or EMS stations

FDNY Station 307/154 - Upgrade kitchen.

Agency Response: Agency supports but cannot accommodate. FDNY will seek to accommodate within existing resources, although this will depend on availability of funding and overall agency prioritization. The Community Board should continue work with their relevant elected officials to allocate Council/BP capital funding at Budget Adoption.

2 of 5 Provide new emergency vehicles, such as fire trucks or ambulances**FDNY**

Provide new emergency vehicles, such as fire trucks or ambulances

Purchase a Medical Service Vehicle - FDNY/EMS for the Borough of Queens (for 10 patients at a time can be attended to on this mobile vehicle)
Existing vehicle is over 29 years old.

Agency Response: Agency supports but cannot accommodate. FDNY will seek to accommodate within existing resources, although this will depend on availability of funding and overall agency prioritization. The Community Board should continue work with their relevant elected officials to allocate Council/BP capital funding at Budget Adoption.

3 of 5 Other FDNY facilities and equipment requests**FDNY**

Other FDNY facilities and equipment requests

Purchase for FDNY - Mutual aid Rapid Response Vehicle - For Citywide use state of the art vehicle that will transport equipment and supplies in emergency situations.

Agency Response: Agency supports but cannot accommodate. FDNY will seek to accommodate within existing resources, although this will depend on availability of funding and overall agency prioritization. The Community Board should continue work with their relevant elected officials to allocate Council/BP capital funding at Budget Adoption.

4 of 5 Provide new facilities such as a firehouse or EMS station**FDNY**

Provide new facilities such as a firehouse or EMS station

At EMS Unit 406 - Upgrade men's locker room and shower.

Agency Response: Agency supports but cannot accommodate. FDNY will seek to accommodate within existing resources, although this will depend on availability of funding and overall agency prioritization. The Community Board should continue work with their relevant elected officials to allocate Council/BP capital funding at Budget Adoption.

5 of 5 Provide new emergency vehicles, such as fire trucks or ambulances**FDNY**

Provide new emergency vehicles, such as fire trucks or ambulances

Purchase a Bariatric Ambulance Unit.

Agency Response: Agency supports but cannot accommodate. FDNY will seek to accommodate within existing resources, although this will depend on availability of funding and overall agency prioritization. The Community Board should continue work with their relevant elected officials to allocate Council/BP capital funding at Budget Adoption.

1 of 2 Provide a new or expanded health care facility**HHC**

Provide a new or expanded health care facility

Construct new Hospital and or Urgent Care in Corona/East Elmhurst area. Elmhurst Hospital is the only medical facility in QCB3 area. The hospital serves over a million patients annually. Our area during the pandemic was hit more than any area in the country. The hospital was heroic in saving lives during the health crisis but like many hospitals, was seriously challenged. Our hospital needs to expand its footprint by building on its existing campus or creating an annex in or near East Elmhurst and North Corona. An additional facility is needed without question.

Agency Response: Agency supports but cannot accommodate. NYC Health + Hospitals/Elmhurst has developed a master plan for the existing campus that will accommodate all current and future needs. Currently, we are in the process of renovating many services and modernizing infrastructure. Any Annex in an area outside of the current campus would require further study.

2 of 2 Staffing**HHC**

Other Capital health care facilities request

Increased staffing or budgeting for Department of Homeless Services Personnel.

Agency Response: The agency does not understand the request as written and requires more clarification. This was assigned to the wrong agency; we are a separate entity from DHS.

1 of 2 Provide more housing for extremely low and low income households**HPD**

Provide more housing for extremely low and low income households

Construct affordable housing for middle and low-income families.
Explanation: Strategies and programs must be developed to stimulate the production of new/affordable housing facilities. There is a severe shortage of housing for the aforementioned income groups.

Agency Response: Agency supports and can accommodate. Thank you for this request. We agree that your district need additional affordable housing. HPD will continue to use all tools available, including but not limited to subsidy, tax exemptions, and Low Income Housing Tax Credits (LIHTC) to fund the construction of affordable housing from the development pipeline to maximize available resources.

2 of 2 Other capital budget request for HPD**HPD**

Other capital budget request for HPD

Request: Construct Affordable Housing for Middle & Low-Income seniors.
Explanation: Strategies and programs must be developed to stimulate the production of new/affordable housing facilities. There is a severe shortage of housing for the aforementioned senior groups.

Agency Response: Agency supports and can accommodate. HPD will continue to fund the construction of senior housing from the development pipeline to maximize available resources.

1 of 1 Domestic Violence**Other**

Other capital request

Programming for families or individuals in domestic violence.

Agency Response: The agency does not understand the request as written and requires more clarification. Please contact the agency directly.

1 of 3 Create a new, or renovate or upgrade an existing public library**QL**

Create a new, or renovate or upgrade an existing public library

Construct a new building and expand the capacity of the Jackson Heights Regional Library - keep allocation in place. Explanation: The Jackson Heights Branch is the most heavily utilized library facility in Northwest Queens. The library is the home to the most ethnically diverse population in the City. Space for expansion is available behind the present structure. A new facility will significantly reduce overcrowding.

Agency Response: Agency supports and can accommodate. This project was funded in a prior fiscal year and is in design. This project is managed by the NYC Department of Design & Construction.

2 of 3 Create a new, or renovate or upgrade an existing public library**QL**

Create a new, or renovate or upgrade an existing public library

Request: Construct Library in North West Sector of CB3. The Lexington School for the Deaf should be considered for a possible site. Explanation: The residents in this portion of the District are sorely lacking library facilities.

Agency Response: Agency supports but cannot accommodate. Expense funding is needed to conduct a study by the agency of this request. Capital and operational funding cannot be determined at this time.

3 of 3 Create a new, or renovate or upgrade an existing public library**QL**

Create a new, or renovate or upgrade an existing public library

Request: Expand Corona Library Explanation: This heavily used facility is one of only four libraries in community Board 3. Whether expansion entails building up or acquiring adjacent property, the new addition would be welcomed.

Agency Response: Agency supports and can accommodate. This project was funded in a prior fiscal year and the scope is now underway. This project is managed by the NYC Department of Design & Construction.

1 of 2 New School Construction**SCA**

Other capital request for SCA

Construct new school in CB3, especially Early Childhood Centers and a High School at Willits Point and the former DiBlasi Ford site.

Agency Response: Agency supports but cannot accommodate. The agency does not/cannot give priority to funding this request.

2 of 2 Provide a new or expand an existing elementary school**SCA**

Provide a new or expand an existing elementary school

Expand and increase the number of seats in our existing schools, particularly in District 24. We should be ready to accommodate the influx of migrant students.

Agency Response: Agency does not support but can address the need alternatively. The agency agrees with this request, will accommodate in part. Refer to 2025-2029 Capital Plan for details.

CS Other capital budget request for DEP**DEP**

Other capital budget request for DEP

Request: Fund a Study For The Construction of a Separate Sewer System for 103rd & Northern Blvd., 25th Avenue & 81st Street, 77th Street & 30th Avenue, 25th Avenue and 77th Street and 25th Avenue and 76th Street. Explanation: Neighborhoods that were once comprised of one & two family homes have been replaced with units of six to ten families. These changes have increased the demand on our infrastructure & sewer system. Before 1996, conditions were confined to East Elmhurst or North of Northern Blvd. Sewer backup conditions are now district-wide.

Agency Response: Agency does not support and cannot accommodate. PLEASE CONTACT THE AGENCY DIRECTLY AND PROMPTLY FOR MORE INFORMATION.

CS Reconstruct streets**DOT**

Reconstruct streets

Location: 86th Street - 25th Avenue & 25th Avenue
Request: Resurface Streets in Community Board 3. Explanation: Resurface Junction Blvd. between Northern and Roosevelt Avenues, 37th Ave from Junction Blvd. to 114th Street, 82nd Street from Roosevelt Ave to the BQE, Roosevelt Ave from 114th to 69th Streets and Astoria Blvd. from 69th to 114th Streets.

Agency Response: Agency does not support but can address the need alternatively. Resurfacing requests can be put into the agency webform for review: <https://www.nyc.gov/html/dot/html/contact/contact-form.shtml>

CS	Other park maintenance and safety requests Other park maintenance and safety requests	DPR
Continued Support: Repair the drainage at Flushing Meadows Corona Park.		
Agency Response: Agency supports but cannot accommodate. Because FMCP was built on a former ash damp that historically was a wetland, the park has chronic drainage issues. Parks does not have capital funding allocated for this project. The CB can advocate its elected officials for capital funding.		

CS	Reconstruct or upgrade a building in a park Reconstruct or upgrade a building in a park	DPR
Continued Support - Restore the Queens Green House at Forest Park.		
Agency Response: Agency supports but cannot accommodate. Parks does not have capital funding allocated for this project. We appreciate the board's support. The CB can advocate to elected officials for capital funding.		

CS	Renovation New equipment for maintenance	DPR
Helen Marshall Playground - Capital project for renovation of baseball field.		
Agency Response: Agency supports and can accommodate. There is a capital project to renovate the synthetic turf field that is currently in design.		

EXPENSE BUDGET REQUESTS

1 of 2	Other expense request Other expense request for DCWP	DCWP
Hire interpreter for Chinese, Bangali and other languages that can be deployed onsite to nonprofit, social service contractors, including Community Board 3 Meetings, food pantries, housing, counseling and senior centers.		
Agency Response: This request has already been completed. The Community Affairs team speak different languages, including Chinese, Spanish, Bengali, and Hindi.		

2 of 2	Other expense budget request for DCA Other expense request for DCWP	DCWP
Hire Additional Consumer Affairs agents to conduct night and weekend street vending inspections.		
Agency Response: This request has already been completed. DCWP doesn't enforce Street Vending. Since April 2023, the lead agency on street vendor enforcement is the NYC Department of Sanitation.		

1 of 2 Investigate air quality complaints at specific location**DEP**

Investigate air quality complaints at specific location

Request: Install Air Monitors in the Neighborhoods of Jackson Heights and East Elmhurst that are located near LaGuardia Airport. Explanation: CB3 is surrounded by Laguardia Airport, BQE and The Grand Central Parkway. Our residents are concerned about the impact of fumes emanating from motor vehicles and planes in the community. There is a high incidence of asthma & respiratory disease in our district. The need to install air monitors in our area is clear.

Agency Response: Agency does not support and cannot accommodate. PLEASE CONTACT THE AGENCY DIRECTLY AND PROMPTLY FOR MORE INFORMATION.

2 of 2 Inspect sanitary sewer on specific street segment and repair or replace as needed**DEP**

Inspect sanitary sewer on specific street segment and repair or replace as needed

Increase DEP inspectorial personnel to address dumping and other environmental infractions in Flushing Bay.

Agency Response: Agency does not support and cannot accommodate. PLEASE CONTACT THE AGENCY DIRECTLY AND PROMPTLY FOR MORE INFORMATION.

1 of 1 Enhance NORC programs and health services**DFTA**

Enhance NORC programs and health services

Request: Provide funding to increase NORC (Naturally Occurring Retirement Community) Programming in CB3. Explanation: Seniors are the second largest population within CB3. It is important that senior programming such as NORC be made available to our elder residents. Providing health and social services within the confines of their coop/apartment complexes would significantly improve their quality of life.

Agency Response: Agency supports but cannot accommodate. Need additional funding for to meet this request.

1 of 1 Other expense budget request for DOB**DOB**

Other expense budget request for DOB

Increase staffing Level for DOB Compliance Unit.

Agency Response: Agency supports and can accommodate. The agency will continue with the resources available.

1 of 2 Provide, expand, or enhance funding for Child Care and Head Start programs**DOE**

Provide, expand, or enhance funding for Child Care and Head Start programs

Request: Restore Day Care Slots and after school programs. Explanation: Our Community's population has increased. Many of our young working families require day care services & after school programs. Working parents deserve programs that will serve the needs of their pre-school children ages three months to five years old.

Agency Response: Agency does not support and cannot accommodate. PLEASE CONTACT THE AGENCY DIRECTLY AND PROMPTLY FOR MORE INFORMATION.

2 of 2 Other educational programs requests**DOE**

Other educational programs requests

Provide and increase funding for the STEAM program within CB3. STEAM is a method of instruction that incorporates Science, Technology, Engineering, the Arts, and Mathematics and helps to promote student critical thinking. Every classroom should have access to these important resources.

Agency Response: Agency does not support and cannot accommodate. PLEASE CONTACT THE AGENCY DIRECTLY AND PROMPTLY FOR MORE INFORMATION.

1 of 2 Other programs to address public health issues requests**DOHMH**

Other programs to address public health issues requests

Increase funding for rodent abatement. Lets cleanup public areas. Hire more exterminators to reduce and curtail infestations.

Agency Response: This request has already been completed. Integrated pest management is considered to be more ideal approach which entails more education to property owners and their responsibilities in mitigating rodent activity and presence, trash containment

2 of 2 Increase health and safety inspections, e.g. for restaurants and childcare programs**DOHMH**

Increase health and safety inspections, e.g. for restaurants and childcare programs

Request: Hire additional Department of Health Inspectors to conduct night inspections. Explanation: Unlicensed food vending along Roosevelt Ave, Broadway, 74th and 37th Avenues are increasing. The community would benefit from having more inspections conducted particularly at night where the problem is most prevalent.

Agency Response: This request has already been completed. Reminder as of March 2023, the NYC Department of Sanitation is the lead agency on street vending enforcement. This is inclusive of mobile food vending. DOHMH continues to license and permit mobile food vendors and vending carts/vehicles and inspect for sanitary conditions of licensees. All other issues with mobile food vendors especially unlicensed activity or siting would be for DSNY to enforce

1 of 1 Other expense budget request for DoITT**DOITT**

Other expense budget request for DoITT

Improve access to government services and information by sharing 311 data with Community Boards. Please make more resources available to the community board.

Agency Response: Agency supports and can accommodate. 311 information is widely available via Open Data and a variety of tools already available to CBs and the public. This will be shared with the CB.

1 of 8 Other traffic improvement requests**DOT**

Other traffic improvement requests

Request: Increase funding to hire additional personnel to install, replace traffic/street signs, repair pot holes for Queens DOT Explanation: Increase funding to hire personnel for sign replacement and pothole repair.

Agency Response: Agency supports but cannot accommodate. DOT will continue to provide service with existing personnel.

2 of 8 Cameras**DOT**

Add street signage or wayfinding elements

Location: 27th - 31st Drive & Ditmars Blvd.
Install cameras at the overpasses located at 27th and 31st Drive on Ditmars Blvd.

Agency Response: Agency does not support and cannot accommodate. DOT only installs traffic enforcement cameras.

3 of 8 Improve traffic and pedestrian safety, including traffic calming**DOT**

Improve traffic and pedestrian safety, including traffic calming

Repair or construct new curbs or pedestrian ramps. Provide funding for curb repair. While the property owner is responsible for the repair of sidewalks and encouraged to replace curbs, all too often, violations go unaddressed because of financial difficulties or neglect. Unsafe conditions are left to the city to be corrected. It is therefore important that funding to hire more outside contractors to perform sidewalk and curb repairs be increased.

Agency Response: Agency supports and can accommodate. Sidewalks are the responsibility of the adjacent property owner. For curb repair, please submit specific locations to the Borough Commissioner for review. For Pedestrian Ramps, the Adopted Budget includes a Citywide allocation. Specific locations are determined by DOT.

4 of 8 Upgrade or create new greenways**DOT**

Add street signage or wayfinding elements

Location: Astoria Boulevard - 82 Street & 82 Street
Request: Beautify the center mall on Astoria Boulevard. Explanation: Plant Shrubs & trees along the Center Mall from 82 Street to 114 Streets at Astoria Boulevard to increase greenery and beautify the community. Most importantly, improve conditions so that pedestrians may safely access Astoria Boulevard. Provide funding to a not-for-profit organization such as the Botanical Gardens to maintain the greenery.

Agency Response: Agency supports but cannot accommodate. A capital project to improve safety on the Astoria Blvd corridor is in final design. More information can be found in the link below. In regard to increased greenery on the corridor we recommend contacting NYC DPR for possible planting options.
<https://www.nyc.gov/html/dot/downloads/pdf/astoria-blvd-24th-ave-29th-ave-may2022.pdf>

5 of 8 Upgrade or create new greenways**DOT**

Add street signage or wayfinding elements

Location: 34 Street - 112 Street & 112 Street
Request: Beautify the Center Mall on 34th Avenue from 112th to 114th streets. Explanation: Plant shrubs and trees to increase greenery. Provide funding to a not-for-profit organization to maintain the site.

Agency Response: Agency supports and can accommodate. The City has funded a capital reconstruction project for 34 Ave. Community Outreach began in the summer of 2024 and will continue into 2026.
<https://www.nyc.gov/html/dot/downloads/pdf/34th-ave-open-street-workshop-boards-jun2024.pdf>

6 of 8 Repair of Paving Stones**DOT**

Add street signage or wayfinding elements

Location: 37th Ave - Roosevelt Ave & Junction blvd to 34th Ave
Restoration and repair of the paving stones on 82nd Street (from 37th Ave to Roosevelt Ave and Junction Blvd. to 34th Ave).

Agency Response: Agency supports but cannot accommodate. Distinctive brick is a PDC-approved treatment for the 82 St Partnership

7 of 8 34th Ave Median**DOT**

Add street signage or wayfinding elements

Location: 69th Street - 114th Street
Care for the 34th Ave median from 69th Street - 114th Street.

Agency Response: Agency supports and can accommodate. The City has funded a capital reconstruction project for 34 Ave. Community Outreach began in the summer of 2024 and will continue into 2026.
<https://www.nyc.gov/html/dot/downloads/pdf/34th-ave-open-street-workshop-boards-jun2024.pdf>

8 of 8 Greenery**DOT**

Add street signage or wayfinding elements

Location: 23rd Ave - Ditmars Blvd. & 82 Street
Beautify 23rd Ave from Ditmars Blvd. to 82nd Street with maintenance.

Agency Response: Agency supports but cannot accommodate. DOT can review for resurfacing - please log in the agency webform: <https://www.nyc.gov/html/dot/html/contact/contact-form.shtml> Trash and tree maintenance are handled by other agencies.

1 of 10 Other expense budget request for DPR**DPR**

Other expense budget request for DPR

Request: Install free WIFI in CB3 parks and Plazas. Explanation: Upgrade our area parks by installing free WIFI services. Keep park users plugged in and informed.

Agency Response: Agency does not support and cannot accommodate. WIFI is not managed by the Parks Department. Since we do not have control over WIFI we are unable to provide a response.

2 of 10 Other park programming requests**DPR**

Other park programming requests

Request: Increase parks staffing levels for maintenance personnel. Hire a parks associates for PS 127 and Junction Boulevard parks and assistant gardener. Explanation: CB3 requires additional associates in our area parks, currently there are only two associates in the entire district, Gorman park and Travers. We deserve more programs and services.

Agency Response: Agency supports but cannot accommodate. Funding cannot be determined at this time

3 of 10 Other expense budget request for DPR**DPR**

Other expense budget request for DPR

Provide a more accessible independent electrical source at the performance area/stage in Travers Park

Agency Response: This request has already been completed. This has already been completed.

4 of 10 Prune Overgrown Trees**DPR**

Forestry services, including street tree maintenance

Location: Ditmars Boulevard
Prune overgrown trees and general cleanup and beautification at Overlook Park.

Agency Response: Agency supports and can accommodate. NYC Parks staff routinely inspect our parks and refer any tree hazards to Forestry for resolution. If there are individual trees in need of pruning for public safety, we encourage anyone to submit a service request by locating the tree on the NYC Tree Map (and clicking on the "report a problem" tab), calling 311, or using our online tree service request system. Our inspectors will visit the tree and determine the appropriate action in accordance with our Tree Risk Management Program.

5 of 10 Improve Lighting**DPR**

Other park maintenance and safety requests

Install and Improve lighting at entrances, clean-up and beautify entrances, address serious rodents' problems and homeless encampment at Promenade Overpass entrances.

Agency Response: Agency supports but cannot accommodate. This would be a capital project. There is no capital funding allocated for this project.

6 of 10 Prune Overgrown Trees**DPR**

Forestry services, including street tree maintenance

Location: 23rd Ave - 82nd & 100th - 82nd Street & 100th Street
Address overgrown shrubs, trees, and weeds that obstruct visibility and Cleanup and beautification of medians on 23rd Avenue between 82nd and 100th Streets.

Agency Response: Agency supports and can accommodate. Parks' block pruning program provides neighborhood-based, proactive tree maintenance by addressing a portion of the street trees in each CB every year, including trees in medians. Parks inspects, then prunes all city-owned street trees above 4" in diameter on a routine 7-year cycle, which is an industry standard. The goals of block pruning are to reduce damage caused during storms, avoid blocking traffic signals, remove dead branches, improve tree health and structure, and encourage growth away from built infrastructure. If there are individual trees in need of pruning for public safety in between this cycle, we encourage anyone to submit a service request by locating the tree on the NYC Tree Map (and clicking on the "report a problem" tab), calling 311, or using our online tree service request system. Our inspectors will visit the tree and determine the appropriate action in accordance with our Tree Risk Management Program.

7 of 10 Staffing**DPR**

Enhance park safety through more security staff (police or parks enforcement)

Increase staffing levels for PEP Officers to address issues related to all area parks.

Agency Response: Agency supports but cannot accommodate. Funding cannot be determined at this time.

8 of 10 Other park maintenance and safety requests**DPR**

Other park maintenance and safety requests

Increase funding levels to hire additional staff to maintain the parks landscapes.

Agency Response: Agency supports but cannot accommodate. Funding cannot be determined at this time

9 of 10 Enhance park safety through design interventions, e.g. better lighting**DPR**

Enhance park safety through design interventions, e.g. better lighting

Request: Extend fencing at Northern Boulevard Playground. Explanation: Part of the fencing at this playground is chain linked and the balance is wrought iron. Remove the chain linked portion of the fence and replace it with wrought iron for safety and aesthetic reasons.

Agency Response: Agency supports but cannot accommodate. There is currently no funding allocated for this project. The board can reach out to its elected officials for funding requests.

10 of 10 Travers Park**DPR**

Other expense budget request for DPR

Regrade basketball court in Travers Park

*Agency Response: Agency supports and can accommodate. There is a capital project to reconstruct the basketball court at Travers Park***1 of 5 Provide more frequent litter basket collection****DSNY**

Provide more frequent litter basket collection

Restore litter basket collections to three times per day in our commercial strips - 37th Ave; Junction Blvd; Roosevelt Ave; Northern Blvd; 103rd Street; and 74th Street; Astoria Blvd., 73rd and 72nd Streets in Jackson Heights. Hire additional personnel for 11am- 7pm shift in order to increase litter basket patrol truck service particularly during weekends.

*Agency Response: Agency supports but cannot accommodate. The agency supports this request, but funding is not available at this time.***2 of 5 Other cleaning requests****DSNY**

Other cleaning requests

Provide funding for weekly power-washing of Roosevelt Ave, Junction Blvd. and Diversity Plaza.

*Agency Response: Agency does not support and cannot accommodate. DSNY does not currently provide this service.***3 of 5 Other garbage collection and recycling requests****DSNY**

Other garbage collection and recycling requests

Increase funding to provide additional cleaning services to Roosevelt Ave from 69th to 114th Streets. The mayor has allocated additional funding. We hope some of these monies will come our way.

*Agency Response: Agency supports but cannot accommodate. DSNY is currently funded at the current levels of service. Any additional service requires additional funding.***4 of 5 Other cleaning requests****DSNY**

Other cleaning requests

Location: Boody Street
Increase funding for sanitation MLP service in section 31. Explanation: The monies would allow sanitation to provide additional services to the areas that are mostly in need within our district.

*Agency Response: Agency supports but cannot accommodate. The agency supports this request, but funding is not available at this time.***5 of 5 Increase enforcement of illegal posting laws****DSNY**

Increase enforcement of illegal posting laws

Increase funding for illegal posting personnel.

Agency Response: Agency supports but cannot accommodate. The agency supports this request, but funding is not available at this time.

1 of 1 Other youth workforce development requests**DYCD**

Other youth workforce development requests

Request: Restore and Increase funding for youth, adult and senior programming in Jackson Heights, North Corona and East Elmhurst.
Explanation: There is a severe shortage of programs in CD3 that cater to the recreational needs of our youth and seniors. Our community deserves quality facilities and programming that will enrich our lives.

Agency Response: This request has already been completed. There are a variety of agency-funded programs in the district for this target population. Additional programs are contingent upon available funding and will be distributed through an RFP process. DYCD has begun a three-year, 20,000 seat expansion of the COMPASS afterschool program.

1 of 1 Expand clean space initiatives for public sites and graffiti free removal program for private sites along commercial business corridors**EDC**

Expand clean space initiatives for public sites and graffiti free removal program for private sites along commercial business corridors

Request: Increase Graffiti Removal Programs. Explanation: To combat the increased incidence of graffiti in CD#3, additional monies are needed for these support programs.

Agency Response: The agency does not understand the request as written and requires more clarification. The Department of Sanitation oversees the graffiti-free NYC program. CB can refer to the agency for removal of graffiti on public and private spaces.

1 of 5 MRI Equipment**HHC**

Other expense budget request for HHC

Elmhurst Hospital's Radiology department is facing significant patient backlogs. As a result patients often experience delays to their needed imaging, diagnosis, and treatment, which can negatively affect their outcomes. There is a strong need for an additional scanner as demand continues to grow. The hospital is requesting a new platform uniformly, proficiency, and key factors in meeting the demand. Elmhurst Hospital is seeking approval of the purchase of a new Philips Ingenia Ambition X 1.5T MR with an Evolution upgrade. Elmhurst Hospital's current Philips MR will reach End-of-life in 2028 and with a single MR at this location, is unable to keep pace with the current demand.

Agency Response: Agency supports and can accommodate. Capital funding has been allocated to construct a second MRI suite at Elmhurst. This project also includes the purchase and installation of the a new MRI.

2 of 5 New MRI Scanner**HHC**

Other expense budget request for HHC

New MRI Equipment Currently, Elmhurst Hospital's Radiology department is facing significant patient backlogs. As a result, patients often experience delays to their needed imaging, diagnosis, and treatment, which can negatively affect their outcomes. There is a strong need for an additional scanner as demand continues to grow. The hospital is requesting a new Platform uniformly, proficiency, and efficiency are key factors in meeting the demand. Elmhurst Hospital is seeking approval of the purchase of a new Philips Ingenia Ambition X 1.5T MR to meet this demand. In addition to this new MR project, Elmhurst is looking to upgrade their current Ingenia 1.5T MR with an Evolution upgrade. Elmhurst Hospital's current Philips MR will reach End-of-Life in 2028 and with a single MR at this location, is unable to keep pace with the current demand.

Agency Response: Agency supports but cannot accommodate. Capital funding has been allocated to construct a second MRI suite at Elmhurst. This project also includes the purchase and installation of a new MRI. This project is in pre-design phase. Regarding the upgrade of the current MRI Suite, there is no funding available. Elmhurst is aware of this need. NYC Health + Hospitals will pursue funding opportunities from various sources to address this need.

3 of 5 Adult Behavioral Health Space**HHC**

Other expense budget request for HHC

\$3.M to complete outdoor space for Adult Behavioral Health on D9 & E11. NYC Health & Hospitals/Elmhurst is one of the largest providers of mental health care in the borough of Queens, and almost 1/3rd of our inpatient beds are reserved for behavioral health patients. We are seeking funds for the construction of two terraces on our 9th & 11th floors. Research has shown that patients with mental health diagnoses experience less anxiety and depressive symptoms and higher levels of 'well-being' when they spend time in natural environments as part of their treatment. It has been suggested that there is a relationship between the outdoor settings and the recovery of psychiatric patients.

Agency Response: Agency supports but cannot accommodate. Capital funding has been allocated to the renovation of the behavioral health space, however, the recreation area is not included in the project scope and cannot accommodate at the moment. NYC Health + Hospitals is actively seeking funding opportunities to address the outdoor space need.

4 of 5 Nuclear Medicine**HHC**

Other expense budget request for HHC

\$2.2M for the PET for Nuclear Medicine NYC Health + Hospitals/Elmhurst has incredibly busy volume and demand for our x-ray and radiation oncology services. In 2024, we provided over 91,518 x rays and over 194,000 diagnostic tests, 5% higher than the previous year. Elmhurst currently lacks PET scan technology and we now have to transfer patients to our sister hospital, NYC Health + Hospitals/Queens, in order to receive this critical care. PET/CT scans provide advanced imagery that serves as an effective way to help discover a variety of conditions, including cancer, heart disease and brain disorders. With PET/CT scans, our healthcare providers can make more accurate diagnoses and treatment plans, leading to better outcomes. PET/CT scans are also less invasive and more comfortable for patients. We expect to do 500 procedures in year 1 after acquiring the equipment and ramp up to additional capacity of 1,000 patients a year in year 2.

Agency Response: Agency supports but cannot accommodate. This project received some capital funding, however, it is on hold due to a funding shortfall. NYC Health + Hospitals will pursue funding opportunities from various sources to close the funding gap.

5 of 5 Lobby Renovation**HHC**

Other expense budget request for HHC

\$5M for the Lobby Renovations We are requesting additional funding to renovate our hospital entranceways and lobbies and make them more environmentally-friendly and energy efficient. We previously received \$5.88 M in City Council, NYS, and BP funding for this project. Upon further assessments of the project, there were additional structural needs identified, along with inflationary cost increases. We are nearly complete with the design and ready to go out to bid. The new entryways will be reconfigured to direct patient flow, making it easier to navigate. Wayfinding features will also be added. Each entryway will also have branded information desks, new walls, floors, ceilings, paint and furniture. As a part our goal to be more sustainable, the entrances will incorporate "green" materials and have been designed to minimize heat and cooling loss.

Agency Response: Agency supports but cannot accommodate. This project received some capital funding, but has a funding shortfall. NYC Health + Hospitals will pursue funding opportunities from various sources to close the funding gap.

1 of 2 Other expense budget request for HPD**HPD**

Other expense budget request for HPD

Provide funding for home-base services within the confines of Queens Community Board 3.

Agency Response: Agency does not support and cannot accommodate. HomeBase is an HRA program, not an HPD program.

2 of 2 Provide, expand, or enhance programs for housing inspections to correct code violations**HPD**

Provide, expand, or enhance programs for housing inspections to correct code violations

HPD - Increase inspectorial staffing levels for HPD (Housing Preservation and Development)

Agency Response: Agency supports and can accommodate. This is a priority for the administration and HPD and we will continue to work with key stakeholders to ensure poor housing conditions in NYC are properly enforced.

1 of 1 Snap**HRA**

Other expense request for HRA

Due to the rise of food insecurity, additional pantries and resources are warranted. Since the pandemic, our community's greatest challenge is food insecurity.

Agency Response: This request has already been completed. HRA continues to maintain funding for Community Food Connection (CFC; formerly EFAP). During the COVID pandemic funds were added to the budget to purchase additional food. Note that, in general, pantries are funded by a wide variety of funding sources. CFC is supplementary program. Pantries generally also get food or funding from: food banks, state programs, as well as CFC and City Council discretionary funding. Generally, pantries do not rely on just one funding stream, they have a variety of funding streams.

1 of 2 Housing**NYCHA**

Other expense budget request for NYCHA

Fund a study in collaboration with CB3 that creates a plan for increasing the supply of housing within the district.

Agency Response: Agency supports but cannot accommodate. We are happy to assist with any ideas to support affordable housing for our residents.

2 of 2 Bathroom Upgrades**NYCHA**

Other expense budget request for NYCHA

Bathroom upgrades - Most bathrooms are in their original state when the building was opened in 1979. The floor tiles need to be desperately replaced in the bathrooms along with the fixtures.

Agency Response: Agency supports and can accommodate. NYCHA can have staff assess the area and see if a vendor is needed to address the floor tiles

1 of 2 Hire additional uniformed officers**NYPD**

Hire additional uniformed officers

Request: Restore our full complement of NYPD personnel, NCO (s), administrative aides, custodial services, and school safety guards.
Explanation: QCB3 has lost Police Officers due to retirement, sick leave and reassignments. While the 115 Precinct is doing a great job with current resources, our community deserves replacement of loss personnel. Hire additional custodial personnel for the 115 precinct. The additional staff will improve the precinct's day-to-day operations.

Agency Response: Agency supports but cannot accommodate. NYPD total staffing levels depend on decisions made in the Preliminary and Executive budget process. Allocation of uniformed personnel is scheduled by the NYPD only after graduation of Police classes from the Academy. Availability of civilian personnel is limited due to reductions to the civilian headcount.

2 of 2 Hire additional traffic enforcement agents**NYPD**

Hire additional traffic enforcement agents

Increase funding to hire additional traffic enforcement agents to address double parking and other traffic infractions.

Agency Response: Agency supports but cannot accommodate. Based on the latest budget, the NYPD has a specific budgeted headcount. The agency is working on filling vacancies in order to get to that headcount.

1 of 1 East Elmhurst Library**NYPL**

Other expense budget request for NYPL

Install charging stations at the East Elmhurst library adult desks.

Agency Response: Agency does not support and cannot accommodate. PLEASE CONTACT THE AGENCY DIRECTLY AND PROMPTLY FOR MORE INFORMATION.

1 of 1 Legal Services**Other**

Other expense request

Requesting additional legal services for immigrants in NYC

Agency Response: The agency does not understand the request as written and requires more clarification. Please contact the agency directly.

1 of 1 Extend library hours or expand and enhance library programs**QL**

Extend library hours or expand and enhance library programs

Request: Keep Queens Libraries Open 7 Days a week with one late night closing at 10:00pm. Explanation: Extend the hours of our libraries. Later closing hours would be beneficial for our adult mature students and night events.

Agency Response: Agency supports but cannot accommodate. The agency agrees with this request, but funding cannot be determined at this time. For FY26, the Jackson Heights Library is open on Sundays, making it a seven-day service site. Continued funding has not been guaranteed for FY27.

1 of 2 Other expense budget request for SBS**SBS**

Other expense budget request for SBS

Far too many businesses are closing their doors because of high rents and reduction of customer base. Local merchants could benefit from the assistance of SBS.

Agency Response: Agency supports and can accommodate. Please feel free to refer businesses from your district to our programs. Encourage business-owners in your district to call the SBS Hotline at (888)-SBS-4NYC to get a referral to SBS resources including Commercial Lease Assistance and Capital Access programs for pro-bono legal assistance and financing assistance.

Other business regulatory assistance requests

Implement Economic Development programs which would include entrepreneurial training, loan packaging, micro Loan Program, management training, export assistance.. Assistance is needed to coordinate neighborhood redevelopment, marketing & anti-graffiti programs. Funding these programs would make a significant difference for the business community in CB3..

Agency Response: Agency supports and can accommodate. The SBS Business Solutions Centers provides businesses 1-1 support, courses and webinars, support in accessing capital, and free legal services. Please call the SBS Hotline for more information and to receive a referral to services at (888) SBS-4NYC. Two years ago, SBS also launched "NYC Funds Finder", a platform for business owners seeking capital which they can visit at nycfundsfinder.nextstreet.com. Additionally, SBS offers the NYC Future Fund, a revenue-based loan that addressing the gap in access to affordable capital faced by small business owners, particularly those that otherwise often cannot obtain traditional bank financing Finally, SBS offers commercial revitalization grants to community-based organizations that can include support with anti-graffiti programs and marketing. SBS will continue emailing community boards when grants are available and open for applications, and we encourage community boards to blast it to their networks.
